Gift Aid

If you pay tax in the UK, then Gift Aid is a simple way to increase the value of your donation to the Mezzanine Fund!

Making your donation using Gift Aid will enable the Fund to reclaim the basic rate tax you have already paid on your gift to them.

This means that if you give £10 to the Fund using Gift Aid it is worth £12.50 to the charity, AND for Gift Aid donations made from 6 April 2008 to 5 April 2011, HM Revenue & Customs will pay the charity a Government supplement of 3p on every £1 donated. This means that your £10 Gift Aid donation is worth a total of £12.80

To put this in terms of our fundraising, if every donation was made under Gift Aid we would only need to raise £23,438 and HMR&C would repay Tax of £6562 - equalling our £30,000 target!

Gift Aid is available on all gifts from UK taxpayers.

How to make a donation using Gift Aid

In order to make a Gift Aid donation you'll need to make a Gift Aid Declaration. This is a simple form which the Fund will ask you to complete - one form can cover every gift made to the Mezzanine Fund by any individual.

Our Gift Aid Declaration is attached for your use

Higher rate taxpayers.

If you pay higher rate tax, you can claim the difference between the higher rate of tax (40 per cent) and the basic rate of tax (20 per cent) on the total (gross) value of your donation to the Fund.

For example, if you donate £100, the total value of your donation to the charity is £125 - so you can claim back 20 per cent of this (£25) for yourself. You can make this claim on your Self Assessment tax return.
