Dear Parents,

As you will be aware Mr Kenwright had previously been diagnosed with cancer which was hoped to have been successfully treated. Unfortunately, after a recent scan he was informed that a small tumor has been detected and as a result he has been booked in for further surgery early in June with an expected recovery time of 2-3 months.

In the interim period Ms. Julie Woolgar has kindly agreed to teach in the Year 3/4 class four days during the week with my self and Mrs McLaren sharing the Monday teaching commitment.

Mr Kenwright has shared this news with the Year 3/4 class today in terms appropriate to their age. As always Mr Kenwright remains very positive and keen that people are aware of the situation and I know you will support him in his desire to keep everyone informed.

I will of course be in contact with Mr Kenwright over the coming months and am sure that he will keep us all updated on his progress and recovery.

If you would like to discuss any issues or concerns further please do make an appointment to come in and see me.

Thank you

Nicola Stephenson Barr
