29th June 2010

Dear Parents,

Alice in Naburn!

As you will know the performance of Alice in Wonderland draws ever closer. This year we have needed to work especially hard as the production has needed to be brought forward by three weeks owing to the refurbishment of the village hall.

We have now had our first run through with dances and songs in place and are now in the position to be able to confirm start times.

Tuesday 6th June: Afternoon Production 1:45pm. This production is primarily for any relatives and villagers or parents who may not be able to attend the evening production. No tickets are required and we hope to finish at around 3:15pm. The school minibus will be notified that we may run slightly over.

Wednesday 7th June: Evening Production 7pm expected finish time 8:15pm.

Thursday 8th June: Evening Production as above.

For both evening productions families should have received tickets for one of the evenings above.

Props and Costumes:

Thank you to parents who have already offered help in school with making props and costumes. As always your help is very much appreciated. If you are able to volunteer any time on Thursday afternoon this week that would be marvellous. This week we are hoping to make headdresses for the Year 1/2 animals (if you have already made one - don't panic! Just send it in on the day and we can use it to inspire the rest of us!) If you are able to offer help on Thursday please come in at 1:30pm.

Any old tiles? Bright green and red needed urgently in school! Please drop off any you may no longer need so we can complete our school mosaic.

Thank you,

Nicola Stephenson Barr
