14th July 2009

Dear Parents,

Thank you to all parents who attended the building meeting last week; for those of you who were unable to attend here is an overview of what was discussed and decided upon:

The building work will begin on Monday 20th July 2009. Owing to the disruption in school one class will be working off site during this period - the class will be Year 3/4.

In September the Year 3/4 children will need to be either dropped off at the church each morning or parents can park at school and walk them across. In order to accommodate parents with children at both sites the register at church will close at 9:05a.m rather than 9 o'clock. Children who travel on the bus will be dropped at the school and Mrs McLaren will walk them to the church at the start of the day.

The children will be in the church most mornings and will have break time in the field across the road; at all times two adults will be present in the church and when crossing the road. We have contacted the highway agencies and they are hoping to extend the 20mph signs to beyond the church; we have also asked if a police presence will be available for spot speed checks.

At lunch time the children will be walked back to school and lunches will be served on two sittings.

As always the children's education is of the utmost importance and in order for the Year 3/4 children to access high quality ICT and art the afternoons will be spent back on site while other classes will have P.E. in the village hall.

All children will be collected from school at the end of the day.

As we will be unable to hold school assemblies we would like to take this opportunity to use the church for a whole school (including parents!) assembly each Friday at 2:30pm. We hope you will be able to join us whenever possible.

If you would like further details I have displayed a timetable for all classes in the notice board outside school.

Thank you,
Nicola Stephenson Barr
