### **Friends of Naburn Easter Garden**

Thankyou to the 'Friends of Naburn' for creating our Easter Garden. The winning sticks belonged to Jon-Jon, Zachary and Elliott, who received an Easter Egg each in Celebration Worship on the last Friday of term.

### **Well Done**

Lily B took part in the York Youth Choir event during the holiday. She performed a concert with them in St. John's Chapel, York Minster. What an experience!

### **Parents' Evenings**

These take place on Tuesday and Friday this week. Remember that your child's tray will be available so that you can look through their work either prior to, or after, your appointment. Please do leave time to do this. There are some very high quality pieces of work around school to celebrate.

### **Holiday Competition**

Please remember to bring in your posters for the School Council Safer Travel competition.

### **Free Tennis lessons**

There are free tennis lessons available after school at local tennis clubs, for children aged up to 8 years old. If you are interested, visit the Club Spark/tennis for kids website and type in your postcode. Be quick, as they start soon.

### **After School Provision**

As mentioned in the letters sent home last term, we are currently working in partnership with Young Discoverers at Escrick to provide after school care from Mondays to Wednesdays, after the closure of our After School Club. More information and booking details for Young Discoverers can be obtained from Ruth at Young Discoverers (ruth@youngdiscoverers.com). Mrs Coultish, a local childminder, also sent details about her service in a letter at the end of term.

We are in discussion with providers, with a view to offering provision here from September. A parent questionnaire to gather your views will be circulated this week. Please take the time to fill it in as this will help us to see what is needed going forward.

### **Herb Appeal**

Following our 'Big Spring Clean-Up', we now have a large planter at school, which we would like to make into a herb garden. If anyone can spare a small plant, please bring it into school and the children will plant them on a lunchtime.

### **Tomorrow**

Tomorrow, the children in Y3/4 have been asked to dress up as a local person to launch their new topic, which is all about our locality. They could choose a generic character, such as a farmer, railway worker or Viking, or a more specific person from York. More info can be found on our school website.

Also tomorrow, a photographer is visiting school to take photos to improve our website. She is very kindly offering her services for free as she is a friend of one of our parents, so I have offered to publicise her website, which is

Dates for this term will follow later.

Many thanks,

Mrs Christison
