- Emily in Y6 for her fantastic attitude and behaviour in class and Kinvara in Y6 for considerate behaviour this week, especially on the playground

The lunchtime award went to Owen, for keeping the playground equipment tidy.

Other children who shared their successes with us were:

Laurence and William D who had been awarded certificates and badges in Swimming; Eli who showed his football medal for winning his League and Phoebe, who shared her excitement at her amazing results in her recent violin exam.

What a lot to celebrate last week!

Herb Appeal Reminder

Following our 'Big Spring Clean-Up', we now have a large planter at school, which we would like to make into a herb garden. If anyone can spare a small plant, please bring it into school and the children will plant them at lunchtimes.

Parent Governor

I am pleased to announce that Victoria Webb is now our new Parent Governor, following the recent vacancy. Thankyou Victoria. We welcome you to your new role.

Friends of Naburn

Two events are coming up, to put in your diaries:

- Firefighters Textile Collection at 9am on 11th May. Bags have gone home tonight to fill with unwanted clothes, linens, handbags and paired shoes. You can also use black bin bags.
- Movie Night this Friday. Don't forget teddies and onesies! Also, a reminder that KS1 children must be accompanied for the evening.

A huge thankyou to those 'Friends' who have been busy organising these events. Much appreciated!

Dates for this term will follow on Thursday.

Many thanks,

Mrs Christison
