Well done this week to...

Sam in Year 2 who was enrolled at Brownies - I'm sure there will be lots of Brownie badges to come!

In school Mrs Walton awarded her class certificate this week to Annabel in reception for the enthusiasm shown on the whole school trip.

In Year 1 the class certificate went to William for being such a kind and happy member of the class.

In Year 2 the class award went to Signe for writing such a lovely thank you letter to the staff at the arboretum who helped organise our fantastic whole school trip.

Ms. Cordingley's certificate was awarded to Amelie for showing good understanding when working with roman numerals.

Parent Questionnaire:

Hopefully, last week, you found the final parent questionnaire of the year in your child's book bag. Please do take the time to complete these so we can continue to make Naburn CE Primary School the best it can be. It has been lovely to read all your responses and to discuss with the governors your suggestions and ideas. Thank you for taking the time to complete and return these over the year.

Year 6 Trophies:

If any children were awarded Year 6 trophies by last year's Year 6 leavers please could they be returned as soon as possible ready for this year's Leavers Assembly.

And finally...

As another year draws to a close I would just like to say thank you!

A big thank you to all the children that brighten up each day. It is a pleasure to work at Naburn School with such enthusiastic and happy children and I am sure that you will agree that once again they have done us proud with all their achievements over the year. Whilst academic success is always great I think primary school is about so much more - I hope at Naburn that we inspire an enthusiasm and love of learning through our engaging topics, trips and visitors and that we create children who are compassionate and thoughtful towards others as well as being brave and resilient when faced with new challenges.

A big thank you to all the staff at Naburn who foster and develop this growth mindset and self motivation within our children. I would like to say a personal thank you also to the staff this year who have worked hard and supported myself and the school through the staffing changes and challenges over this year.

And finally a big thank you to all the parents at Naburn without whose support and help many of the above would not be able to happen - you are very much appreciated by all the staff at Naburn.

So now for the summer holidays - have fun, stay safe and we will see you all in September!

Thank you,

Nicola Stephenson Barr and the staff of Naburn CE Primary School
