

Small School Big Ideas

6th February 2017

Dear Parents,

It was another busy week last week, ending with the Friends of Naburn Movie Night on Friday. Lots of children, teddies and parents came along to enjoy Lion King. A big Thankyou goes to those who organised the event and to those who helped on the night.

Coding Club

Friday 10th is the last day to register interest on <https://www.yorkmakerhub.com> if your child is interested in attending Coding Club after half term. We only need a couple of extra children to make the club possible. You don't have to be good at coding as the specialist teacher will help you! Remember, if the cost is a problem, do pop into school to chat about it.

Celebration Certificates

Last week, the certificates were awarded to:

- Bethany in Y1 for making great progress with her reading
- Reuben in Y2 for always having such a positive attitude to his learning
- Brodie in Y3 for good work and behaviour and for a well written news report too
- Lily and Eve in Y5/6 for thinking carefully about one of their friends and helping her when she was struggling

Jack and Gemma Britton showed us their Bloodaxe Book Challenge certificates, awarded by York Explore. Great reading!

Erika also shared her Pony Club badges with us, all carefully stitched onto her jumper. Well done Erika.

MSA Needed

We are still looking for a Midday Supervisor in school, to work on a Tuesday, Wednesday and Friday between 12noon and 1.30pm. Please pop into the school office for an application form if you think this could be for you or please pass this advert on if you know of anyone who you think might be suitable. The After School Club is also looking for relief staff. (see attachment)

Robinwood Meeting and SATs information for Parents

On Wednesday 15th February at 5.30pm there will be a meeting for Y5/6 parents and pupils about Robinwood, in Miss Hodgson's classroom. This will be an opportunity to watch a video about Robinwood, pick up a kit list and ask any questions about the visit. This will be followed by an information meeting for Y6 parents about SATs.

Safer Internet Day

Tomorrow is Safer Internet Day (SID) and we are attaching a letter with more information about keeping your child safe online. It is written by Tim Pinto, who has led staff training on this area and includes some good advice, especially around pictures and video sharing. Please use this as an opportunity to chat with your child and remind them to keep safe in this rapidly changing world.

Friends of Naburn Date for your diary - St Crux 2017

We have had confirmation that the school will hold its annual St Crux fundraiser on Saturday 11 March 2017. This is a huge fundraising opportunity for the school - as budgets become tighter the school relies more than ever on fundraising activities such as this to provide educational tools and resources for all of our children. The PTA will be sending out details about the event soon, but in the meantime if you have any bric-a-brac, toys, games or books which we could sell on the day please save them as we will be collecting very soon!

There will be a meeting this week, on Friday at 3.15pm to plan for this event. Please come along.

Many thanks,
Mrs Christison
