Celebration Certificates

Last week, the certificates were awarded to:

- Brooke in Y1 for always working hard and presenting her work neatly
- William Barton in Y1 for trying his best with his targets
- Elliott in Y3 for fantastic knowledge and understanding of sound in Science
- Claire in Y5 for her hard work, concentration and perseverance in EVERY lesson

Also, Barney and Betsy brought in football trophies to share with us.

On the theme of celebration – don't forget that in Reception and KS1 there is a Wow tree waiting for leaves to celebrate anything your child has done! It is looking rather Autumnal at the moment!

Friends of Naburn (PTA)

Thankyou to all who came to Movie Night on Friday. It was a great success and we all enjoyed the film. Thankyou to the parents who organised the evening and to those who served popcorn and drinks.

Also, at this time of year when you may be shopping online more often than usual, don't forget that an easy way to support us is through Easyfundraising. More details can be found in the PTA section of our school website. It is a straightforward, quick way to help raise funds and there is also an app which you can use and a reminder too, so that you can always support us when you shop!

Compassion Trust Perseverance

Marina Christmas Market

Thanks to all those who have volunteered to sing on Saturday. Please remember that children must be accompanied at all times. Do come along to support the children (and staff!).

Parking

A reminder from School Council, who are working hard this year to improve parking near school,

"Please remember not to park on the double yellow lines near school as they are there so that we can cross the road safely. And please do not park on the pavements as we can't walk to the Village Hall for PE without walking on the road, which makes us feel unsafe."

Reading Volunteers

If you (or Granny or Grandad!) have some spare time and would like to come into school to hear readers, do let us know – just an hour a week hearing children could make a huge difference to children's reading ability and their confidence. Please pop in to chat further if you are interested.

Posada

Watch out for a visit from Mary, Joseph and the donkey at your house this week. The nativity figures have started their journey and have already visited six houses. I look forward to hearing all about their adventures in the coming weeks.

Carols Around the Tree

This is a lovely way to begin the Christmas season and we hope as many children, families and residents as possible will be able to join us at 6pm on Friday. We will begin with the switching on of the lights, followed by some well-known carols and Christmas songs, accompanied by Mrs Ann Clark, one of our Governors. Refreshments will be on sale in the Blacksmith's Arms! We hope to see you there! There will also be some exciting **DEFIB NEWS!!** announced by the Village Council at this event, so do come along!

Many thanks,
Mrs Christison
