

Reception/Year 1 News

Spring Term 2 – Our topic is:

Days to Remember

Mrs Walton teaches:
Mon & Tues

Mrs Wood teaches:
Weds, Thurs & Fri

PE lessons:
Tuesdays (this half term only)
& Wednesdays

Woodland Visits:
Please make sure that warm
coats, trousers & wellies are in
school every Friday!

World Book Day
Thursday 1st March

Parent Consultation Evenings
Tuesday 20th March/Thursday
22nd March.

This half-term our topic will be **Jobs**. We will be learning all about the different jobs that people do.

In History we will be learning all about Florence Nightingale and how she spent her life working to help others. We will be learning about Lowry in Art, looking at how he portrayed people, as well as looking at the work of a sculptor.

This half term we will aim to visit Forest School every other week on a Friday. We will be looking at seasonal changes in Science, and finding out how the forest changes throughout the year. Please provide your child with a warm, waterproof coat, wellies, trousers, and hats etc. as appropriate.

If any parents would like to join us on our visits please see Mrs Wood.

Volunteers Needed!!

During our topic on jobs we would like the children to have the opportunity to talk to some adults about the work that they do. If any parents or grandparents would be willing to come in to talk the children it would be much appreciated. Please see Mrs Wood or Mrs Walton for more information.

Can you help?

Our role play area is currently a hair salon. The children are really enjoying using the area and we would like to add some more resources to it. If you have any old things you would like to donate we are in need of:-
Comics/magazines for children
Dolls/doll heads with long hair
Toy hairdryers/curling tongs
Playdough hairdressers
Many Thanks.

abcdefghijkl

Our **Literacy** lessons this half-term the focus is on Different Books by the Same Author. We will be looking at books by Allan Ahlberg and Julia Donaldson.

In our **Maths** lessons this term we will be counting, singing number rhymes, playing number games and solving problems. Much of our learning will focus on Place Value and Measures.

Please look at the class section on the school website for regular updates.
