Mathletics

13 bronze, 2 silver and 1 gold were awarded at the end of last term. Well done everyone and special mention goes to Felix Dawson for the Gold!

Y5/6 Class Assembly

We have had to change the date of the Y5/6 assembly due to the fact that a group of Y5 children have been invited to Fulford to take part in a maths afternoon. Sorry for the short notice, but we didn't want the children to miss out on this opportunity. The new date is Thursday 14th June at 2.30pm in the Village Hall.

Church weekend

Thank you to those who were involved in organising the Church Weekend and to those who visited to see the exhibitions. There were some very positive comments about the standard of our children's art work, so well done to the children too.

Friends of Naburn

The Reception and KS1 Bun Sale on the day we broke up raised a huge £58.50. Thankyou to everyone who baked, bought and organised.

Don't forget the Family Fun Day on Saturday 30th June, from 12 until 4pm. More details to follow.

We are still looking for someone or a team of people to run the stall at Naburn Gala on 7th July from 1.30 – 4pm. Please let Sarah Edmondson know if you are free to help.

There will be two meetings coming up to plan future events. Please try to attend one if possible as there are lots of things coming up! The meetings are Thursday 7th June at 3.15pm and Monday 11th June at 3.15pm.

Appeal

If you, or anyone you know, has any child sized plastic tables or chairs that you no longer need, please donate them to school for our role play area. We need them as soon as possible. Please bring them in and give them to Mrs. Pemberton. They are going to be used in the Seaside Café and Ice Cream Parlour!

Many thanks,

Mrs Christison
