9th July 2018

Dear Parents,

It was wonderful to join in Naburn Gala on Saturday. Thank you to the Friends of Naburn for organising their jam jar dice stall (which caused much excitement!) and to everyone who helped on the rota! The Y5/6 children did a super job of running their stalls and Ms Cordingley and the recorder group opened the gala in style. Thanks again for supporting the event on what turned out to be a busy sporting day for the country!

It was also lovely to see our school represented at York Bloom, with our wheelbarrow proudly on display near the library. Well done to Mrs Wood and the Year 1 children for making such a beautiful display linking to their seaside topic. Great publicity for us.

Celebrations

Certificates were awarded as follows:

- Jack, in Reception, for sitting beautifully and listening well
- William and Holly, in Y1, for using amazing adjectives
- Brooke, in Y2, for always wanting to learn
- Tilly, in Y3, for doing very well in her recent maths and writing
- Jake, in Y6, for brilliant production rehearsals!

There were fishing trophies for the Blue Team who caught 134 fish. This was Betsy, Zachary, Will Barton, Freddie Connelly-Bosson and Jasper Connelly-Bosson. The team who caught the largest fish was the Yellow Team (it was a 2.5lb bream). This team was made up of Jack and Molly Bogg and Jess Porter. The most improved fisher trophy went to Freddie Fletcher-Moody. Great fishing everyone!

Mathletics – 10 bronze, 2 silver and 1 gold were awarded. Well done to Brodie for gold!

Malawi Update

The final amount raised was £1640.00. There was some confusion because of amounts being counted twice by mistake, but this is the definite total. Well done all and to Ms Cordingley for organising. We should all be really proud of this amount and for the great cause that the money is going to. Good to think about others in need and to appreciate just how lucky we are.

Defib Training

There will be an awareness session on Tuesday 17th July at 7pm in the Blacksmith's Arms. Do come along to learn more about how to use this fantastic piece of equipment and learn how you could save a life.

Outstanding payments

As the year draws to a close, please try to clear any remaining balances on Parent Pay for lunches, trips, breakfast club etc. (especially if your child is in Year 6!).

Many thanks,

Mrs Christison
