School Council News

You will know that the children in School Council are busy helping us to improve parking and traffic in the village. You may have seen the character they have borrowed from CYC, who we have named 'Jim' and the children hope he will remind you to follow their lead and think carefully about your parking at drop off and pick up.

Don't forget that if you live in Stillingfleet you can access the school bus service, which is free.

Contact the North Yorkshire Schools Transport Team on 01609 533679 or email

schooltransport@northyorks.gov.uk for more information.

A special bus bay will soon be painted at the front of school, to make this service even safer and the work School Council have done means that all the markings outside school will soon be repainted to make them bright and shiny.

Help please

Rowan Class need some help with laminating. If this is something you could help with, please contact the school office as it will free up the teachers' time. Full training will be given.

RSPB Big School Birdwatch

Mr Norris, our After School Club Assistant, has registered to do the above, which involves counting and recording all the different birds in the school grounds for 1 hour. This will take place on Tuesday 19th February, weather permitting. In preparation, he would like to make some recycled birdfeeders with the children, to be hung on the trees, topped up with birdfeed of course! If anyone has any plastic water bottles they could donate (approx. 500ml size), it would be much appreciated, as the feeders will be made using these.

After School Club

Unfortunately, we have so far been unable to appoint a Co-ordinator, so Miss Youll and Mr Norris will continue to run the club until we are able to re-advertise. We will continue to keep you posted.

Don't forget, there will be a fun food workshop led by Phunky Foods at After School Club on Wednesday 20th February. There will also be a Movie Night this Wednesday, watching a film chosen by the children and a Valentine's Day themed craft opportunity on Thursday. Do book on as places are limited.

Thankyou to everyone who has filled in booking forms for next half term. Don't forget to send yours in if you are interested in using the club.

Y6 Notice

Two children in Year 6 have written the following message asking for your support:

"We have been given £1 each at Guides and have been set a challenge by our Guide leaders to see who can make it grow the most. Our idea is to sell delicious cupcakes and tasty cookies on the playground at the end of the school day, on the following dates:

Monday 18th February

Thursday 21st February

Friday 22nd February.

Please help us if you can. Prices will be 50p per item."

Many thanks,
Mrs Christison
