Celebrations

This week, the certificates went to:

- Thomas A in Y1 for super homework, especially the rocket he has made
- Jasper in Y1 for listening beautifully when sitting on the carpet
- Samuel in Y4 for helping others and being kind

Thomas A proudly shared his green Blue Peter badge for helping animals and wildlife. Well done, Thomas!

17 bronze Mathletics awards were given out and 5 silver.

Friends of Naburn

Look out in book bags later this week for information and donation request forms for St Crux.

ParentPay Request

With our financial year end rapidly approaching, our bursar has asked that, if possible, payments to ParentPay are made BEFORE Weds 20th March or AFTER Friday 29th March. This would help with balancing our books!

Compassion Trust Perseverance

World Book Day

We will be celebrating World Book Day on Thursday 7th March and are asking you to help your child to dress up as a character from a book. It would be great if they could also bring along a copy of the book, to talk about it with their classmates. I wonder if you can think of a unique character that no one else in school will think of?

After School Club Update

Miss Youll will be finishing on Thursday to spend more time on her studies. We all wish her well in the future and we know that if it involves teaching, she will go far! The supply agency have now found us a new assistant as we move forward, to work alongside Mr Norris, whilst we advertise again. The new member of staff will be with us until Easter to provide continuity for the children. Again, I will initially be on site to make sure this is working well.

Action for Happiness

Within our focus on the Christian value of Justice this term, we are looking at kindness and how to ensure everyone is treated fairly. One of our parents has suggested the site 'Action for Happiness' which gives a daily 'happiness nudge'. Please see the attached calendar of ideas for Friendly February and follow the link below for more information

www.actionforhappiness.org/

Message from the teachers

The teachers have commented recently on how much calmer the mornings are since we started the new drop off system. Thankyou everyone for your support with this.

See-Saw

I hope you all received your letters about See-Saw, our newest way of communicating with you. This should offer an opportunity for you to be more aware of the work your child is doing at school, something picked up at our Parents' Forum in January. Follow the instructions on your letter and you should be able to learn more!

Parents' Evenings

Parents' Evenings will be on Tuesday 26th and Thursday 28th March, more details to follow after half term.

All that is left to say is to wish everyone a lovely, restful half term holiday. I look forward to seeing you all back at school on Monday 4th March.

Many thanks,

Mrs Christison
