### **Celebrations**

Last week, the certificates went to:

- Larry in R for blending well in phonics
- Bethany in Y1 for speaking loudly and clearly in the Nativity rehearsals
- Bethany in Y4 for never ever giving up, whatever task she is given
- Tilly in Y5 for having a great attitude to her learning, especially in maths this week when learning about factors

Rose proudly showed us her swimming certificate and Olivia proudly shared her football medal. Great work out of school too!

Mathletics – 4 bronze certificates were presented.

This week, the house points were won by the Tigers. We have collected 426 housepoints overall, so keep up the good work everyone.

### **After School Club**

Mr Norris and Miss Hansford will be running a few special events in the run up to Christmas. Please see the attached poster for details and book quickly as places are limited.

### **Parking**

Thankyou to those of you who have now begun to park further away from school to avoid the difficulties we have been facing with parking. Please remember to avoid parking on any single or double yellow lines or on the corner of Vicarage Lane.

### **Helpers for Club**

We are STILL in desperate need of a helper for Monday's Team Games club. Please let the office know even if you can help for just one session.

### **Tree Planting**

I am delighted to announce that every child in school will be able to plant a tree on Thursday, thanks to kind donations from members of the school community and the village and the generosity of Nick Lee, our Chair of Governors. Please do come along to help as we will need lots of extra pairs of hands! The day will be organised as follows:

9am - Oak Class

11.10am - Willow Class

1.15pm - Rowan Class

You are welcome to come along to school at the allotted time to accompany your child's class, or arrive at any time to help generally. Please come to school first to sign in so that we know who is helping. It would be good to have an idea of who is helping when, so please let the office know your plans before Thursday so we can make sure we have enough adults.

Members of the village are joining together to plant on Saturday 30<sup>th</sup> November so please join in this exciting venture if you can. Donations towards the cost of trees can be left at the school office.

### **Christmas Tree Festival**

Don't forget to work on your decoration for our school Christmas Tree. The only rule is that it needs to be made of recycled materials. The deadline for bringing decorations to school is **Thursday 5<sup>th</sup> December.**

### **Christmas Tree Lights Switch on**

The children have been busy rehearsing their songs and carols for Sunday's official lighting of the Naburn Christmas Tree and it would be lovely to see a good turn out this year. You are all welcome to join us at 6pm to watch the children and to join in the singing too! Refreshments will be available afterwards at the Blacksmith's Arms.

### **Sleep Success**

If your child has difficulty sleeping or you would like to learn more about sleep, The Children's Sleep Charity is running some workshops to help. See the attached leaflet.

### **Names on Clothes**

Please can I encourage you to make sure your child's uniform, PE kit and coat are all named, to make it easier when children are getting changed for PE in particular. MyNametags.com provide great personalised, sticky name labels and they will donate 24% of every order to school. Flyers will be sent home today. Please quote the school ID of 32753 when placing all online orders.

Many thanks,  
Mrs Christison
