

# Welcome to Willow Class

## Summer 2 Newsletter

Finally, the lovely weather has arrived in time for our last half term! We can't quite believe we are here after what has been such an eventful and unprecedented year, but we are looking forward to another fun-filled and action-packed half term with lots of learning!

**Tuesday 20<sup>th</sup> July**-Whole school activity day, details tbc  
Whole school eating at forest at lunchtime.

**Friday 23<sup>rd</sup> July**- School Closes for Summer

### English

This half term we will be looking at persuasive writing and writing inspired by sport and the Euro 2020 Football competition.

Our next class novel will be the classic book, *'The Lion, the Witch and the Wardrobe'* by Lewis Carroll.

### Maths

We will be focusing this half term on money, symmetry, time and shape and space.

### The Vikings

We are now moving on to the Vikings for our topic after thoroughly enjoying learning about the Anglo-Saxons last half term. Again, this promises to offer lots of excellent learning opportunities in all subjects including History, Geography, Art and Design and Technology.

#### Historical Interpretations

Sadly, due to Covid we have not been able to make the most of visits to our wonderful city of York which offers so many Viking experiences. However, we are delighted to say we have arranged a 'Viking Day' on July 6<sup>th</sup> that will hopefully enrich the children's learning even further. We will be sending out a letter soon with all the details.

### Reading

Please continue to read together at home as often as possible, ideally at least three times a week. We will continue to collect the Reading Records in on a Friday and return them on the following Monday.

We are delighted to say we have been donated some money from the John Knowles Foundation to enable us to purchase some new reading books for the class this half term, so look out for them!

### Homework Books

Thank you all for the wonderful homework tasks the children completed last half term. We have loved looking at all the photos, drawings, writing, maths activities and it has been lovely to see so much creativity and effort put into the tasks.

We have not added any more tasks this half term and hopefully the children can find three more tasks to inspire them over the coming weeks.

### Just a note...

As always, if you have any questions or concerns, please do not hesitate to contact us through Seesaw or the school office to arrange a telephone chat.

Mrs Denison and Mrs Mann
