Contact Between Individuals Not Minimised and Social Distancing Measures Not Followed				
<p>Consistent groups are in place which reduces the risk of transmission by limiting the number of pupils and staff in contact with each other to only those within the group</p>	<p>Details;- 3 classes, Rowan, Willow, Oak Rowan (R,Y1,Y2 = 11), Willow (Y3/4 = 18), Oak (Y5/6 = 21) 50 children in total.</p> <p>Classes become 2 bubbles for outdoor break and lunch to allow for socialising, at a safe distance (Rowan and Willow together but staff stay apart).</p> <p>Children arriving on school bus will sit apart (with face coverings on if parents wish) and will join their class on arrival (5 children across school).</p> <p>After School Club will be operating and children will be kept in 3 separate parts of the school hall, according to bubbles.</p>		☒	☐

	<p>Staff will keep to their own bubble apart from MSAs (who also lead After School Club), Headteacher (who teaches PPA across whole school) Peri music teachers (who teach PPA across whole school), KS2 TA (who works across two KS2 bubbles and at Elvington Primary) and Mr Davies (who teaches PE across whole school).</p> <p>These members of staff will stick to strict hand hygiene and distancing guidance when in classrooms. They will not share chairs or resources with class teacher. See staff protocol booklet p6</p>			
The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups	<p>Record to be kept by admin team on Integris. Timetable for week on display in staffroom.</p> <p>New way of reporting accidents (email parents, record on server in admin rather than paper copies of accident slip sent home) put in place in lockdown to be added to as needed if close contact occurs.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Primary schools may be able to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in the group become ill with coronavirus (COVID-19).	<p>Circumstances need to be assessed and if class-sized groups are not compatible with offering a full range of subjects or managing the practical logistics within and around school, you can look to implement year group sized 'bubbles'</p> <p>Each bubble is a class, so 3 bubbles (Rowan, Willow and Oak), but when it is outdoor playtime(15 mins) and lunch (30 mins), Rowan and Willow will be together to allow socialising at a distance. Equipment will not be shared and staff will stay 2m apart. See staff protocol booklet p5.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff or children cannot maintain distancing, particularly with younger children in primary schools, the risk is reduced by keeping pupils in the class-sized groups	<p>Rowan Class has only 13 children in it so risk minimised by small size. Children will be reminded of need to keep apart. Carpet 'spots' to allow children to be seated apart and tables spread out as far as possible. Outdoor area used as frequently as possible. See staff protocol booklet p4. Staff may wear a visor for small group work.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	<p>Three bubbles will operate separately, with a classroom each, except for half hour outdoor lunch and 15 minutes outdoor break as above. No use of school hall except for After School Club.</p> <p>No sharing of village hall space by more than one class at a time.</p> <p>Older children reminded of need to safely distance. Posters up around school to remind.</p> <p>Rowan and Oak will continue their 'buddy' system but outside at 'forest' on a Friday.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools with the capability to do it should take steps to limit interaction, sharing of rooms and social spaces between groups as much as possible	<p>No rooms to be shared between bubbles, apart from school hall used by ASC and staff. Surfaces and chairs in this room will be cleaned at the end of lunch by staff who use it at lunch, again by ASC staff before/after the club and before/after snack. Cleaned again by caretaker before school.</p> <p>One session per week Oak Class and Rowan will be taught together but it will be an outdoor 'forest' session to minimise risk.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group	<p>Large classroom and outside area also available so children will have lots of room.</p> <p>Children will be discouraged from close contact. Assembly led by headteacher to explain and teachers to remind. Posters up to remind. Children reminded again in assembly 17.9.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport	<p>School bus will transport 5 children to and from school each day.</p> <p>Peri music teachers (keyboard and guitar) will teach individual children or small groups socially distanced. School keyboard will be wiped between each use. Guitars not shared. See staff protocol booklet p6</p> <p>Specialist teaching (PE, Music and Cooking) will not involve bubbles mixing. All bubbles will be taught separately.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Siblings may be in different groups	Siblings are in three separate bubbles and will be kept apart in separate class bubbles on separate tables at After School Club, apart from when outside.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	<p>Headteacher will work in all three bubbles in order to facilitate PPA. PE Specialist, Mr Davies will also work across all three bubbles.</p> <p>KS2 TA will work across two KS2 bubbles and also at Elvington Primary on an afternoon Mon to Thurs.</p> <p>Such staff will stay 2m apart from children where possible and will stay 2m apart from adults (and may wear a face covering in communal areas if they wish). Resources and chairs will not be shared. Hands to be washed before entry to new classroom and on leaving.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	Headteacher and KS2 TA will keep distance from pupils as much as possible, standing at front of class and will not join other staff at lunch time or breaks.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where possible adults maintain a 2 metre distance from each other, and from children	<p>Office staff cannot sit 2m apart as desks cannot be moved, but on the one afternoon when they are in together they will not work in the office together. One will work in hall if a computer is needed. Face coverings may be worn to further minimise risk of transmission. They will clean office equipment regularly and will not share equipment.</p> <p>Staff will share school hall for lunch, not staff room as it is too small. They will sit 2m apart and clean chair and table afterwards in preparation for use by ASC. They may wear a face covering if they wish, especially when using the kitchen as it is very small.</p> <p>KS2 staff will stand at front of class and ensure 2m distance between them and first row of desks.</p> <p>KS1 staff will, where possible, stay 2m from children. Visors may be worn for small group work.</p> <p>See staff protocol booklet p6.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Adults avoid close face to face contact and limit time spent within 1 metre of anyone to less than 15 minutes duration	<p>Staff meetings and inset days via zoom or in village hall spaced over 1m apart. If in school hall, staff will sit 2m apart. Face coverings may be worn.</p> <p>At lunch staff to sit 2m apart. See staff protocol booklet p5.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Within the classroom a distance between people is maintained so far as reasonably practical	<p>It is accepted that distancing may not be possible in primary schools Desks in rows in KS2, facing forwards, as spaced out as is possible. In Willow, the rows are at an angle to allow children to see all whiteboards.</p> <p>In KS1 desks spread out. Circular tables but children to be spread out, no more than 3 on a table. See staff protocol booklet p4.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
A barrier is erected between the KS1 Outdoor Area and the neighbours' garden to the rear of school.	A bamboo fence has been erected during the summer holidays, to allow children to use the outdoor area whilst also allowing the neighbours to use their path and garden.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Face to face contact time is reduced and limited to no more than 15 minutes duration	<p>Contact time between head and staff reduced.</p> <p>Performance management by zoom.</p> <p>No staff to come into head's office as it is too small.</p> <p>Use staff room/office area instead of classroom.</p> <p>Governors meetings and any parent meetings to still take place via zoom or telephone.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils are seated side by side and facing forwards, rather than face to face or side on	<p>Desks rearranged in KS2 in rows.</p> <p>In KS1 children will be spread out as far as is possible. No more than 3 children at a circular table.</p> <p>Tables and chairs cleaned each morning to minimise risk and tables regularly cleaned by staff. MSAs to clean desks before and after lunch. See staff protocol booklet p4.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Staff will work side on to pupils as opposed to face to face whenever possible	Marking policy to be amended, discussed at zoom meeting 15.7 See minutes of meeting in file in office and see staff protocol booklet p5 Further discussed on Inset Day 7 th Sept. To be finalised by end Sept.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Educational and care support is provided as normal to pupils who have complex needs or who need close contact care	One child to be supported. PPE to be worn and extra care taken with hygiene. For more details see individual SEN file for this child.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Unnecessary furniture has been moved out of classrooms to make more space	Furniture moved on INSET day 7.9. Shed at back of school and village hall to be used for storage space to be used. See staff protocol booklet p5.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Large gatherings such as assemblies or collective worship with more than one group do not take place	No Collective Worship in hall. To be carried out daily in class, by Zoom or outside. Timetable on display in staffroom. Open the Book/vicar/Yo-Yo to also be via zoom or outside. No dressing up in Open the Book assemblies.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
The timetable and selection of classroom or other learning environment has been used to reduce movement around the school or building	All classes to stay in own classroom. Class worship and zoom worship led by head or class teacher so no use of hall apart from ASC/staff lunch.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to staggered starts or adjusting start and finish times to keep groups apart as they arrive and leave school	Staggered start and finish times should not reduce the amount of overall teaching time All children to arrive between 8.45 and 9am via main school gate, with only one adult per family. Each class to use separate entrance. Letter to parents 16 th July. From 14.9, Oak Class to leave by KS1 door to allow for a more straightforward line. This is to allow for socialising especially for very small KS1 class. One bubble outside on playground at a time.</p> <p>Rowan to exit and enter through KS1 door,</p> <p>Willow through their classroom door and</p> <p>Oak through front door to minimise movement</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>Thornes to inform individual parents of decision in summer. Headteacher informed parents via FB/Twitter/website 3.9. Risk minimised through spaced out seating, driver wearing mask or behind screen, hand sanitiser to use on boarding and disembarking and buses cleaned more often. Children may wear a face covering if they wish. If so, they will bring a sealable plastic bag to put it in and leave it in cloakroom and bring a clean face covering for the journey home. See Thornes RA written following NYCC guidance.</p>			
Inadequate Cleaning/Sanitising				
<p>A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used by different groups is in place</p>	<p>Caretaker to clean school every morning.</p> <p>Class teacher to clean surfaces in classroom. Headteacher to clean toilets and kitchen after break. MSA to clean tables before and after lunch and kitchen after lunch. When headteacher is teaching on an afternoon, admin staff to clean toilets after lunch (Tues/Weds/Thurs). All cleaning done by anyone other than the caretaker to be recorded on checklist in rooms.</p> <p>Staff to wear disposable gloves and apron and use disposable cloths, binned and double bagged after use.</p> <p>Each staff member to clean own chair and table after use at lunch in hall as hall will be used by ASC. See staff protocol booklet p5.</p> <p>ASC to clean surfaces in hall before ASC, after ASC and before/after snack.</p> <p>Cleaning solution provided of correct standard, to be kept out of children's reach when not in use.</p> <p>Gloves, cloths and aprons provided and restocked as needed by admin team.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	All staff to inform admin team when stocks are low to enable reorder of supplies.			
Surfaces that pupils are touching, such as toys, books, desks, chairs, doors, sinks, toilets, light switches, bannisters etc. are cleaned more often than normal	<p>Discussed at INSET 7th Sept. See staff protocol booklet p 7.</p> <p>Checklist in each classroom, office, toilets and kitchen and staff/head/MSAs regularly cleaning.</p> <p>Staff are not to deep clean as per union advice, but are wiping table down and washing play items such as skipping ropes.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Electronic entry systems and keypads are regularly sanitised particularly first thing in the morning and where possible after each use	<p>Caretaker to clean these every morning.</p> <p>Parents discouraged from buzzing buzzer (ring school instead if possible). Sign placed on buzzer 14.9. Gloves to be worn by staff when opening main gate, or wash hands before and after. See staff protocol booklet p8. Then gloves binned after one use, in lidded bin to be double bagged by caretaker/MSA each day.</p> <p>Staff to wash hands for at least 20 seconds on entry to school to minimise risk. Each staff member has a badge to open doors electronically, to reduce need to press door entry systems/handles.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Bins for tissues and other rubbish are emptied throughout the day	New lidded bins purchased June 2020. To be emptied at lunchtime by MSA and caretaker in morning. Bin bags are double sealed and left for 72 hours before being disposed of. See staff protocol booklet p7.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Stocks of cleaning chemicals, liquid soap, paper towels, tissues, toilet roll, bin bags etc. regularly checked and additional supplies requested as necessary	Delivered and stock to be monitored regularly by caretaker and head. To be restocked as needed through purchasing system and admin team	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	<p>As in Summer term, each bubble to have own set of equipment to be placed in bowl of soapy water by member of staff on duty/MSA at beginning and end of break/lunch. Store equipment in Aldi bags, one per bubble. Keep bag in classroom to minimise cross contamination.</p> <p>Tree house and other wooden play equipment to be used on a rota basis,</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	<p>one outdoor play bubble per week (Willow and Rowan/Oak).</p> <p>Willow/Rowan to start using this in week 1. This will allow for a weekend of 'rest' in between bubbles.</p> <p>In KS1, equipment to be used on a rota system, e.g. Monday's equipment put away at end of day, Tuesday's equipment then used etc. This will allow for 'resting' especially of plastic items. Any other items to be washed with Milton and hung to dry in mesh laundry bags.</p> <p>Each child will choose books as they wish and will return it to a box at gate every Friday, to 'rest' over weekend before cycle begins again. Quarantine box in each class also, for books used in class. Finalised on INSET days 7th/8th.9. Parents reminded in letter 17.9. See staff protocol booklet p5.</p>			
Shared Resources				
For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared	<p>Each child has their own wallet of stationery items e.g pen, pencil, ruler, sharpener, coloured pencils. This stays in child's tray in KS2 and in KS1 will stay in a designated place in classroom where child can easily access it.</p> <p>Staff have own stationery too. Job share staff, admin team and PPA teacher (head) to be particularly mindful of this. See staff protocol booklet p5</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Classroom based resources, such as books and games, can be used and shared within the bubble; these are cleaned regularly, along with all frequently touched surfaces	<p>Chrome books and ipads will be named so they are not shared. Each child to have own mouse and headphones in their tray in KS2 to use with their own named chrome books.</p> <p>In KS1, shared resources are used on rota system as above, or washed (by teacher or TA) in mesh laundry bag with Milton after use and left outside to dry.</p> <p>In KS2 shared books and games are wiped by teacher or TA using anti-bac wipes of correct standard. See staff protocol booklet p5.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Resources that are shared between classes or bubbles, such as sports, art and science equipment should be cleaned frequently and meticulously and always between bubbles, or rotated to allow them to be left unused and out of reach for a period of 48 hours (72 hours for plastics) between use by different bubbles	No resources to be shared across bubbles. All activities to be planned ahead so that sharing is not needed, or items are left unused and out of reach for a weekend (72 hours if plastic). Especially ensure when at 'forest' clipboards are not shared between bubbles. Musical instruments and sports equipment also not to be shared across bubble See staff protocol booklet p5.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils can bring essentials such as lunch boxes, hats, coats, books, stationery, bags and mobile phones (depending on school policy) in to school	<p>Lunch box, named water bottle, coat, hat, scarf, gloves and wellies allowed in. No bags or rucksacks. Children reminded verbally on arrival in first week and parents reminded verbally (letter 7.9, 17.7 and 7.9).</p> <p>Wellies to stay in school all year.</p> <p>No stationery to be brought in and no bags.</p> <p>No PE kits to be brought in. Children to wear PE kit all day on PE days.</p> <p>There will be no 'tuck shop' but children can bring in a healthy snack. Letters to parents 10.7, 16.7 and 11.9.</p> <p>KS1 children to have usual fruit/veg from Fruit/veg scheme. To be delivered and left to 'rest' according to instructions.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Rules on hand cleaning, cleaning of the resources and rotation apply to these resources	<p>Discussed at staff zoom 15.7. See minutes.</p> <p>Marking policy discussed on INSET day and amended in first half term.</p> <p>Job share staff to be especially mindful of this and ensure good hand hygiene when marking books.</p> <p>Self /whole class marking, audio/IT marking and verbal feedback to be used where possible to minimise book touching by staff.</p> <p>See staff protocol booklet p5.</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Staffing & Spread of Coronavirus to Staff, Pupils and Families, Visitors and Contractors				
Contact with individuals who are unwell is minimised by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school	<p>Ensuring that pupils, staff and other adults do not come into the school if they have coronavirus (COVID-19) symptoms, or have tested positive in at least the last 10 days, and ensuring anyone developing those symptoms during the school day is sent home, are essential actions to reduce the risk in schools and further drive down transmission of coronavirus (COVID-19)</p> <p>Parents informed in letter 16.7 and informed of change on 7.9 (new guidance on 7.8 states staying at home for at least 10 days now, not 7 days in previous guidance). If a pupil is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the Pupils and with appropriate adult supervision if required. Ideally, a window should be opened for ventilation.	If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people Use staff room. If the pupil needs to go to the toilet while waiting to be collected, they should use a separate toilet if possible. The toilet should be cleaned and disinfected using standard cleaning products before being used by anyone else	No spare toilet available in school. Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to book a test if they are displaying symptoms. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested, including children under 5, but children aged 11 and under will need to be helped by their parents/carers if using a home testing kit	Letter to parents 16.7 and reminder letter sent on 8.9. Guidance poster sent 17.9. See staff protocol booklet p8/9. Staff to be reminded on INSET day 7/8 th Sept. If someone tests negative, if they feel well and no longer have symptoms similar to coronavirus (COVID-19), they can stop self-isolating. They could still have another virus, such as a cold or flu – in which case it is still best to avoid contact with other people until they are better. Other members of their household can stop self-isolating	Letter to parents 16.7 and reminder letter on 7.9. See staff protocol booklet p8 Staff reminded on INSET day 7/8 th Sept.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If someone tests positive, they should follow the ‘stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection’ and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 10 day period starts from the day when they first became ill. If they still have a high temperature, they should keep self-isolating until their temperature returns to normal. Other members of their household should continue self-isolating for the full 14 days	Schools must take swift action when they become aware that someone who has attended has tested positive for coronavirus (COVID-19). Schools should contact the DfE on 08000468687 . The Public Health Team will also contact schools directly if they become aware that someone who has tested positive for coronavirus (COVID-19) attended the school – as identified by NHS Test and Trace PHE Flow chart to be followed on staff room noticeboard. Inadequate Personal Protection & PPE				
Face coverings are currently not in use by pupils in Primary schools as the risks are considered to be lower as pupils and staff are mixing in consistent groups, and because misuse may inadvertently increase the risk of transmission. There may also be negative effects on communication and thus education	Face coverings not to be worn by pupils in school at all. See staff protocol booklet p1	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
In Primary schools where social distancing is not possible such as indoor areas outside of classrooms, between members of staff or visitors (for example, in staffrooms) staff may wear face coverings (e.g. visors) at the discretion of the Head Teacher	https://www.gov.uk/government/publications/face-coverings-in-education/face-coverings-in-education <p>Staff may wear face coverings at times when they cannot be 2m apart due to small school e.g. in kitchen, at lunch in hall, in school office and during INSET days in village hall. It is not necessary to wear face coverings in the classroom, where protective measures already mean the risks are lower, and where they can inhibit learning		<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use	See staff protocol booklet p1.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Where a face covering becomes damp, it should not be worn and the face covering should be replaced	See staff protocol booklet p1.	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	safe working in education, childcare and children's social care 2 sets of PPE in school, supplied by CYC in June.
