CONTROL MEASURES		INFO	TIONAL RMATIO			YES	NO	N/A
In considering all of the by ensuring that t	e below risks and here is no adver	d potentia se impact	l control meas on any particu	ures, please Ilar group o	e be mindful c f staff / pupils	of your duties with protecte	under the Ec ed characteri	<u>quality Act</u> stics
	From 8	8 March	<mark>, all pupils</mark>	should	attend sch	<mark>iool.</mark>		
Contact Between	Individuals	Not Mir	nimised an	d Social	Distancin	g Measur	es Not Fo	llowed
Consistent groups place which reduce of transmission by number of pupils a contact with each o only those within th	es the risk limiting the nd staff in other to ne group	bubbles Rowan Willow Oak (Y 50 child Classes break a Toilets (only or one for	es operating s, Rowan, V (R,Y1,Y2 = (Y3/4 = 18) 5/6 = 19) dren in total s are kept s and lunch. S are shared he set of toi girls). Thes ly than usua	Villow, Oa = 13), ), eparate f taff stay due to si lets for b se are cle	or outdoor 2m apart. ze of site oys and aned more			

	Children arriving on school bus will sit apart (with face coverings on if parents wish) and will join their class on arrival (6 children across school). After School Club will be operating on a limited basis and children will sit at 3 separate tables in the school hall, according to bubbles. Staff will keep to their own bubble apart from: MSAs (two of whom also lead After School Club), Headteacher (who teaches PPA across whole school) Peri music teacher (who teaches		
	PPA across whole school), <b>KS2 TA</b> (who works across two KS2 bubbles and at Elvington Primary) and <b>Mr Davies</b> (who teaches PE across whole school) These members of staff will stick to strict hand hygiene and distancing guidance when in classrooms. They will not share chairs or resources with class teacher. See staff protocol booklet p5 Teachers reminded of all protocols at staff zoom meeting 3.3 (see staff meeting minutes in office)		
The school keeps a record of pupils and staff in each group, and any close contact that takes places between children and staff in different groups	This should be a proportionate recording process. Schools do not need to ask pupils to record everyone they have spent time with each day or ask staff to keep definitive records in a way that is overly burdensome Record to be kept by admin team on Integris. Timetable for week on display in staffroom New system for reporting accidents started June 2020 to be continued and to be added to as needed if close contact occurs (email parents, record on server in admin rather than paper copies of accident slip sent home) See staff protocol booklet p6		
Distinct groups or 'bubbles' that do not mix are maintained which makes it quicker and easier in the event of a positive case to identify those who may need to self-isolate and to keep	3 classes operating as 3 separate bubbles. Classes are kept separate for outdoor break and lunch. Staff stay 2m apart.		

that number as small as possible Primary schools may be able	When it is outdoor playtime (15 mins) and lunch (30 mins), <b>Rowan and</b> <b>Willow</b> will be outside at the same time but kept to a separate part of the playground, divided by a wooden wall and hedge. Equipment will not be shared between bubbles and staff will stay 2m apart. See staff protocol booklet p4/5. <b>Circumstances need to be assessed</b>		
to implement groups that are the size of a full class. If that can be achieved, it is recommended, as this will help to reduce the number of people who could be asked to isolate should someone in the group become ill with coronavirus (COVID-19).	and if class-sized groups are not compatible with offering a full range of subjects or managing the practical logistics within and around school, you can look to implement year group	X	
Whatever the size of the group, they are kept apart from other groups and older children are encouraged to keep their distance within their groups	Three bubbles will operate separately, with a classroom each. No use of school hall except for After School Club and for small group intervention work with a TA or teacher, where children will be taught at their own labelled 'bubble' table and the tables and chairs will be wiped after use by the adult leading the group. No sharing of <b>village hall</b> space by more than one class at a time. Older children reminded of need to safely distance. Posters up around school to remind. <b>Rowan and Oak</b> will continue their 'buddy' system but remotely. Each bubble will visit the 'future forest' separately.	X	
Schools with the capability to do it should take steps to limit interaction, and the sharing of rooms and social spaces between groups as much as possible	No rooms to be shared between bubbles, apart from <b>school hall</b> used by <b>ASC</b> , <b>staff and small group work</b> . Surfaces and chairs in this room will be cleaned after any interventions by the TA/teacher leading the group, at the end of lunch by staff who use it at lunch, again by ASC staff before/after the club and before/after ASC snack. Cleaned again by caretaker before school. Any children using it for group work and all children at ASC to sit at the named bubble table.	×	

It is recognised that younger children will not be able to maintain social distancing, and it is acceptable for them not to distance within their group	Large classroom and outside area also available so children have lots of room. Children will be discouraged from close contact. Assembly led by headteacher to explain and teachers remind children regularly. Posters up to remind. Children to be reminded in assembly on 8.3.21 and by teachers on 8.3.21 as part of routines reminder		
Schools keep children in their class groups for the majority of the classroom time, but also allow mixing into wider groups for specialist teaching, wraparound care and transport	<ul> <li>School bus will transport 6 children to and from school each day.</li> <li>Peri music teacher (keyboard) will teach individual children or small groups socially distanced. School keyboard will be wiped between each use. If a child needs to bring their music in to school they will leave it in a safe place in the school hall, where only they will touch it.</li> <li>Specialist teaching No specialist teaching at present except PE. It will not involve bubbles mixing. All bubbles will be taught separately. When other specialist teaching is organised for the future (music and cooking), bubbles will be taught separately.</li> </ul>	X	
Siblings may be in different groups	Siblings are in three separate bubbles and will be kept apart in separate class bubbles on separate tables at After School Club, apart from when outside.	$\boxtimes$	
Teachers and other staff operate across different classes and year groups in order to facilitate the delivery of the school timetable	<ul> <li>Headteacher will work in all three bubbles in order to facilitate PPA.</li> <li>PE Specialist, Mr Davies will also work across all three bubbles.</li> <li>KS2 TA will work across two KS2 bubbles and also at Elvington Primary on an afternoon Mon to Thurs.</li> <li>Such staff will stay 2m apart from children where possible and will stay 2m apart from adults (and will wear a face covering in all communal areas and corridors and when working with small groups). Resources and chairs will not be shared. Hands to be washed before entry to new classroom and on leaving. See staff protocol booklet p5</li> </ul>	$\boxtimes$	

Where staff need to move between classes and year groups, they should keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults	<b>Headteacher</b> and <b>KS2 TA</b> will keep distance from pupils as much as possible, standing at front of class and will stay 2m away other staff at lunch time or breaks, with a face covering in communal areas and corridors. TA leaves before lunchtime.		
The number of interactions or changes are minimised wherever possible	Timetable reviewed 26.2.21 to ensure minimal changes of staff.	$\boxtimes$	
Where possible adults maintain a 2 metre distance from each other, and from children	<ul> <li>Office staff (admin team and SBM) cannot sit 2m apart as desks cannot be moved, but the time spent together will be kept to a minimum. When they do need to communicate they will wear face coverings to further minimise risk of transmission and they will sit side on to each other, facing forwards. They will clean office equipment regularly and will not share any equipment. The window or main door will be open for ventilation.</li> <li>Staff will share school hall for lunch, not staff room as it is too small. They will sit 2m apart and clean chair and table afterwards in preparation for use by ASC. They will wear a face covering when using the kitchen as it is very small and when walking around school.</li> <li>KS2 staff will stand at front of class and ensure 2m distance between them and first row of desks. Face coverings can be worn for small group work.</li> <li>KS1 staff will, where possible, stay 2m from children. Face coverings can be worn for small group work. See staff protocol booklet p6.</li> <li>Caterlink Staff will wear a face covering in kitchen and communal areas and when walking through school and will stay 2m away from other adults and children.</li> </ul>		
Adults avoid close face to face contact and limit time spent within 1 metre of anyone	- direct close contacts - face to face contact with an infected individual for <b>any length of time</b> , within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin)		

- proximity contacts - extended close contact (within 1 to 2 metres for more than 15 minutes either as a one-off contact or added up together over one day) with an infected individual Guidance-for-contacts.of-people-with- possible-or- contacts-of-people-with-possible-or- contacts-of-people-with-possible-or- contacts-of-people-with-possible-or- contacts-of-people-with-the- person Staff meetings, performance management and inset days via zoom. <ul> <li>Contact time between head and staff reduced. Face coverings to be worn for all conversations. 	school gate so adult on duty can see them easily.		
	All permissions for children to walk home remain in place from 7.9 (Reminded in letter 236.3, 16.7 and 7.9 and again in January newsletter)		
	Headteacher or member of staff at gate to wear face covering from 29.9.		
All parents/carers entering the school premises (and in other congested areas around school premises) wear a face covering in addition to social distancing	This an extra safeguard to reduce the transmission of the virus. Please note that this does not apply to those who are medically exempt All appointments to be conducted by zoom/telephone to minimise adults in building. Until further notice.	×	
Ensure that you inform those travelling by car that they should wait in their car until the specific drop off time	This will reduce the amount of people assembling in and around the school grounds and will help with social distancing In letter 26.3 parents advised to not arrive early	×	
Ensure that you inform parents to maintain social distancing from others when dropping off and collecting pupils from school	In parent letter of 26.3 Only one school gate. Parents will line up at allotted time, socially distanced to the left of the gate and children will be sent out in the order of parents in the queue, called by head or class teacher. To be reviewed at end of first week and at staff meeting 17.3	×	
Parents and pupils are told their allocated drop off and collection times and the process for doing so, including protocols for minimising adult to adult contact (for example, which entrance to use, only one adult per family should enter school grounds to drop off or collect)	In parent letter of 26.3 Only one school gate. Parents will line up at allotted time, socially distanced to the left of the gate and children will be sent out in the order of parents in the queue, called by head or class teacher. To be reviewed at end of first week and at staff meeting 17.3	×	
It is made clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)	In parent letter of 26.3 (and 16.7 and 7.9.) All appointments to be conducted by zoom/telephone to minimise adults in building. Until further notice. New starter tours of only one family at a time to be conducted by <b>headteacher</b> out of school hours, with parent(s) and <b>headteacher</b> wearing face coverings and social distancing/hand sanitising. Details to		

		r	
	be taken of visitors for Track and Trace.		
Educational Visits must not take place at this time	Oak Residential booked for May still booked and awaiting further guidance from government. Parents kept informed regularly. No other educational visits planned until further notice. Swimming and tennis booked but on hold until further notice.	Ø	
From 8 March, school will work to resume all before and after-school educational activities and wraparound childcare for pupils, where this provision is necessary to support parents to work, attend education and access medical care, and is as part of pupil's wider education and training	From 8 <sup>th</sup> March, ASC will operate as normal, Monday to Thursday 3.15pm until 6pm where necessary to support parents to work, attend education and access medical care, and is as part of pupil's wider education and training. Parents informed by letter 26.2	×	
You should advise parents that where they are accessing this provision for their children, that they must only be using this, where: • the provision is being offered as part of the school's educational activities (including catch-up provision) • the provision is as part of their child's efforts to obtain a regulated qualification or meet the entry requirements of an education institution • the use of the provision is reasonably necessary to support them to work, seek work, undertake education or training, attend a medical appointment or address a medical need or attend a support group	Parents informed by letter 26.2 as above Extra curricular clubs on hold until after Easter. RA to be reassessed then.		
School works closely with any external wraparound providers which their pupils may use, to ensure as far as possible, children can be kept in a group with other children from the same bubble they are in during the school day	No external wraparound providers		
Where parents are using external childcare providers or out of school extra- curricular activities for their children, you should also: • advise them to limit their use of multiple out-of-school	Parents informed by letter 26.2		

settings providers, and to only use one out-of-school setting in addition to school as far as possible. • encourage them to check providers have put in place their own protective measures • send them the link to the guidance for parents and carers				
If school premises are hired out for use by external wraparound childcare providers, such as after- school or holiday clubs, school have made sure these organisations have: • considered the relevant government guidance for their sector • put in place protective measures	Village hall to be used by Wheldrake Football Club on Saturdays from 12 <sup>th</sup> April (government guidance permitting). Confirmed by email 26.2. Toilets at village hall to be cleaned by <b>football club</b> after use (and by school caretaker weekly from 8 <sup>th</sup> March)			
Social Distancing Measures	Not Followed During Travel to and fro	m Schoo	I	
Parents and pupils are encouraged to walk or cycle to their education setting where possible	Parents reminded in letter 3.3 (already reminded in letter of 16.7. Reminded in Walk to School Week 5.10).			
Schools, parents and pupils following the government guidance on how to travel safely, when planning their travel on public transport	Safer travel guidance for passengers No parents or children at present use public transport to travel to school. RA will be adapted if needed. Staff/pupil to take off face covering and place in own sealable plastic bag. Pupils/staff told not to touch front of face covering during use or when removing it. Staff to store it safely when not wearing it, away from children. See staff protocol booklet p1. Non disposable masks to be washed before repeat use in order to limit any potential spread of infection. See staff protocol booklet p1.	X		
Inadequate Cleaning/Sanitising				
A cleaning schedule that ensures cleaning is generally enhanced and includes more frequent cleaning of rooms / shared areas that are used	<b>Class teacher</b> to clean surfaces in classroom. Headteacher/admin team to clean toilets, kitchen and school hall after break and lunch. MSA to clean classroom tables before and after lunch. Caterlink member of staff			

by different groups is in	to clean kitchen and hot trolley area		
place	after use at lunch. All cleaning done		
	by anyone other than the caretaker to be recorded on checklist in rooms.		
	be recorded on checklist in rooms.		
	Staff to wear disposable gloves and		
	apron and use disposable cloths,		
	binned and double bagged after use.		
	Each staff member to clean own		
	chair and table after use at lunch in		
	hall as hall will be used by <b>ASC</b> . See		
	staff protocol booklet p5.		
	ASC to clean surfaces in hall before		
	ASC, after ASC and before/after		
	snack.		
	Cleaning solution provided of correct		
	standard, to be kept out of children's		
	reach when not in use.		
	Gloves, cloths and aprons provided		
	and restocked as needed by admin		
	team. Staff team to let admin know		
	when stocks are running low, so they		
	can be re-ordered.		
	Staff reminded in preparation for full		
	opening, 3.3 (originally discussed at		
	INSET 7 <sup>th</sup> Sept See staff protocol booklet p 7.		
	bookier p 7.		
Frequently touched surfaces,	Checklist in each classroom, office,		
such as toys, books, desks,	toilets and kitchen and		
chairs, doors, sinks, toilets,	staff/head/Caterlink staff regularly	$\boxtimes$	
light switches, bannisters	cleaning.		
etc. are cleaned more often	Staff are not to door close as as		
than normal	Staff are not to deep clean as per union advice, but are wiping table		
	down and washing play items such as		
	skipping ropes.		
	See staff protocol booklet p6		
	Caretaker to clean these every		
	morning.		
	Parents discouraged from buzzing		
Electronic entry systems and	buzzer (ring school instead if		
keypads are regularly	possible).Sign placed on buzzer 14.9.		
sanitised particularly first thing in the morning and	Gloves to be worn by staff when	$\boxtimes$	
where possible after each	opening main gate, or wash hands		
use	before and after. See staff protocol		
	booklet p8. Then gloves binned after one use, in lidded bin to be double		
	bagged by caretaker/MSA each day.		
	sugged by caretakerment each ady.		
	1		

			1	
	<b>Staff</b> to wash hands for at least 20 seconds on entry to school to minimise risk. Each staff member has a badge to open doors electronically, to reduce need to press door entry systems/handles. Staff to use own pen to sign in with to reduce cross contamination. See staff protocol booklet p2			
Bins for tissues and other rubbish are emptied throughout the day	New lidded bins purchased June 2020. Checked by Headteacher 1.3. Emptied at lunchtime by MSA and caretaker in morning. Bin bags are double sealed and left for 72 hours before being disposed of. See staff protocol booklet p4.	$\boxtimes$		
Stocks of cleaning chemicals, liquid soap, paper towels, tissues, toilet roll, bin bags etc. regularly checked and additional supplies requested as necessary	Stock monitored regularly by caretaker and head. To be restocked as needed through purchasing system and admin team. Staff members to let admin team know if classroom supplies are running low, in time for reordering (staff reminded 3.3)	$\boxtimes$		
Consideration given to how play equipment is used ensuring it is appropriately cleaned between groups of children using it	Each bubble (and ASC) has own set of equipment stored in own bag. Bag kept in classroom to minimise cross contamination. See staff protocol booklet p5	X		
Outdoor playground equipment should be more frequently cleaned	This would also apply to resources used inside and outside by wraparound care providers <b>Tree house</b> and other <b>wooden play</b> equipment to be used on a rota basis, one bubble per week. This will allow for a weekend of 'rest' in between bubbles. ASC has its own set of outdoor play equipment See staff protocol booklet p5			
Shared Resources				
For individual and very frequently used equipment, such as pencils and pens, it is recommended that staff and pupils have their own items that are not shared	<b>Each child</b> has their own plastic wallet of stationery items e.g pen, pencil, ruler, sharpener, coloured pencils. This stays in child's tray in KS2 and in KS1 stays in a designated place in classroom where child can easily access it. These have been used at home for remote learning so on 8 <sup>th</sup> March will be wiped down by staff or child if in KS2 and only touched by that child until Thursday when KS1 packs will all be stored together in box at front of class as in			

				_
	September. Parents informed to bring			
	packs back to school in letter 26.2			
	Staff have own stationery items. Job			
	share staff, admin team and PPA			
	teacher (head) to be particularly			
	mindful of this. Staff to use own pen to			
	sign in and out of school. See staff			
	protocol booklet p5			
	Chrome books and ipads are named			
	so they are not shared. Each child has			
	their own mouse and headphones in			
	<b>KS2</b> to use with their own named			
	chrome books.			
Classroom based resources,	Chrome books have been used at			
such as books and games,	home for remote learning. Parents			
can be used and shared	informed to bring them back to school			
within the bubble; these are	in letter 26.2. There will be boxes at	$\boxtimes$		
cleaned regularly, along with	front gate and admin team will mark			
all frequently touched	off who returns them to keep track.			
surfaces	Chrome books, mice and headphones			
	will then all be guarantined until			
	Thursday 11 <sup>th</sup> March when they will			
	be relabelled with names and each			
	child will have their own again, as in			
	September.			
Resources that are shared	No resources to be shared across			
between classes or bubbles,	<b>bubbles</b> . All activities to be planned			
such as sports, art and	ahead so that sharing is not needed,			
science equipment should be	or items are left unused and out of			
cleaned frequently and	reach for a weekend (72 hours if			
meticulously and always	plastic). Especially ensure when at		_	
between bubbles, or rotated	'forest' clipboards are not shared	$\boxtimes$		
to allow them to be left	between bubbles. Musical instruments			
unused and out of reach for	and sports equipment also not to be			
a period of 48 hours (72	shared across bubble, or left unused			
hours for plastics) between	and out of reach for 72 hours. See			
use by different bubbles	staff protocol booklet p5.			
	Lunch box, named water bottle, coat,

mobile phones (depending	(parent letter 23.2).Oak's wellies to be			
on school policy)	stored in shed to keep corridor clear.			
	No stationery to be brought in and no			
	bags. If a piece of stationery is			
	brought in (e.g. if a child has been			
	isolating and has work to hand in) it			
			1	

	<ul> <li>will be quarantined for 24hours in school hall. KS2 TA to monitor this and return work to correct classrooms.</li> <li><b>No PE</b> kits to be brought in. Children to wear PE kit all day on PE days. A spare pair of shoes to change into can be brought in if wet weather. These will be kept in the cloakrooms. (Not to be brought in on 8.3 as too much to carry, so this will start later that week, on 2<sup>nd</sup> PE day.)</li> <li>There is no '<b>tuck shop'</b> but children can bring in a healthy snack. Letters to parents 23.2 (and previously 10.7, 16.7 and 11.9).</li> <li>KS1 children have usual fruit/veg from Fruit/veg scheme. To be delivered and left to 'rest' according to instructions, with a clear date label written by admin team.</li> </ul>		
The ability to clean equipment used in the delivery of therapies, for example, physiotherapy equipment or sensory equipment has been assessed and where cleaning or disinfecting is not possible or practical, resources will be either: • restricted to one user • left unused for a period of 48 hours (72 hours for plastics) between use by different individuals	Determine whether this equipment can withstand cleaning and disinfecting between each use before it is put back into general use No physiotherapy equipment used in school. Sensory equipment used within Rowan bubble only for SEN child.		
Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided, especially where this does not contribute to pupil education and development. Rules on hand cleaning, cleaning of the resources and rotation apply to these resources	It is very difficult to adequately clean exercise books so the school may need to isolate the books for 48 hours before marking Initially discussed at staff zoom 15.7. See minutes. Staff reminded 3.3 Marking policy discussed on INSET day in January (see minutes) and to be further amended in Spring term. TLC kept informed 10.11 and 25.2 Job share staff to be especially mindful and ensure good hand hygiene when marking books. Self /whole class marking, audio/IT marking and verbal feedback to be		

	used as much as possible to minimise			
	book touching by staff.

The school recognises that if they have two or more confirmed cases within 14 days, or an overall rise in sickness absence where coronavirus (COVID-19) is suspected, they may have an outbreak and will call the dedicated advice service who will escalate the issue to your local health protection team where necessary and advise if any additional action is required	You can reach them by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case School absences recorded as per CYC guidance. Weekly sheet added to COVID file in Headteacher's office every Friday for reference as needed and over weekend if necessary. Parents given details of how to contact school in letter 23.2. Admin team to check school answerphone at weekend and inform headteacher in case of weekend case affecting bubbles on a Monday		
Where a pupil routinely attends more than one setting on a part time basis, for example because they are dual registered at a mainstream school and a special setting, the settings should work through the system of controls collaboratively, enabling them to address any risks identified and allowing them to jointly deliver a broad and balanced curriculum for the pupil. Pupils should be able to continue attending both settings.	While some adjustment to arrangements may be required, pupils in this situation should not be isolated as a solution to the risk of greater contact except when required by specific public health advice No such pupils at present. RA to be amended as needed		
Where individuals are self- isolating and are within the definition of vulnerable, school has put systems in place to keep in contact with them, offer pastoral support, and check they are able to access education support	Daily whole class reading session via zoom. Teachers to keep in touch via Google Classroom and Seesaw. Admin team and/or head to check in if not on daily zoom reading session. Teachers to let admin team/head know if child is not accessing work.	×

	as well as the Covid Individual risk assessment. Both the New and Expectant Mothers and the Individual Risk Assessment must be reviewed prior to 28 weeks when risk factors increase. Individual Risk Assessments will need to be subject to regular review <u>RCOG Q&amp;A covid19 virus infection</u> <u>and pregnancy</u> No such staff at time of writing. RA to be amended as needed		
Whilst pregnant women are at no greater risks of catching covid, there is evidence that those is later pregnancy are at greater risk of severe illness if they contract the virus and may give birth pre- term. Therefore, from now on pregnant employees in their 3 <sup>rd</sup> trimester should be directed to work from home if they are currently attending a workplace. This should happen as soon as possible, and so managers are required to send home any pregnant employees who have reached the start of their 28 <sup>th</sup> week of pregnancy	As per NYCC recommendation No such staff at time of writing. RA to be amended as needed		
Pregnant workers in their 3 <sup>rd</sup> trimester are now to be treated in the same way as CEV staff	No such staff at time of writing. RA to be amended as needed		
Volunteers may be used to support the work of the school, as would usually be the case	Mixing of volunteers across groups should be kept to a minimum, and they should remain 2 metres from pupils and staff where possible No volunteers in school at least until Easter due to size of school	$\boxtimes$	
Specialists, therapists, clinicians and other support staff for pupils with SEND provide interventions as usual	Any such staff entering school site to wear face covering in communal areas and when walking through school, and to stay 2m from other staff. To hand sanitise when entering building and admin team to fill in contact details for track and trace	×	
Where it is necessary to use supply staff and peripatetic teachers, those individuals will be expected to comply with the school's arrangements for managing	To minimise the numbers of temporary staff entering the school premises, and secure best value, schools may wish to use longer assignments with supply teachers and		

and minimising risk, including taking particular care to minimise contact and maintain as much distance as possible from other staff	agree a minimum number of hours across the academic year <b>Peri teacher</b> informed of protocols Sept 20 and reminded before first day in school 9.3. To use lateral flow testing as extra safety measure also (and only has students from Naburn school to further minimise risk) <b>Supply staff</b> to be bought in from Work With York who have strict protocols in place. See their RA. <b>YSSN</b> member of staff to travel between schools but under YSSN risk assessment. To stay 2m away from children and staff. To wear face covering when moving around inside of building. To sanitise or wash hands on entry to school and before leaving site.		
Specialists, therapists, clinicians, support staff for pupils with SEND, supply teachers, peripatetic teachers or other temporary staff, can move between settings	They should ensure they minimise contact and maintain as much distance as possible from other staff SEN teacher from Fishergate to remain working remotely at least until Easter. To be reviewed at Easter. One TA works across two schools (Naburn and Elvington). To be especially vigilant with hygiene, mask wearing and distancing at both schools		
Site User Becoming Unwell			
If anyone in the school becomes unwell with a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell (anosmia), they must be sent home and advised to follow the guidance which sets out that they must self-isolate for at least 10 days and should <u>arrange to have a test</u> to see if they have coronavirus (COVID-19)	Other members of their household (including any siblings) should self- isolate. Their isolation period includes the day symptoms started for the first person in their household, or the day their test was taken if they did not have symptoms, whether this was a Lateral Flow Device (LFD) or Polymerase Chain Reaction (PCR) test), and the next 10 full days. If a member of the household starts to display symptoms while self-isolating they will need to restart the 10 day isolation period and book a test Parents to be reminded of this in letter 3.3. (Previously letter to parents 16.7 and 7.9.) See staff protocol booklet p7.		

			1	
	<b>PHE flow chart</b> on display in staff room, school office and head's office. Newest version displayed if changes are made by PHE.			
If a pupil is awaiting collection, they should be moved, if possible, to a room where they can be isolated behind a closed door, depending on the age of the Pupils and with appropriate adult supervision if required. A window should be opened for fresh air ventilation if it is safe to do so	If it is not possible to isolate them, move them to an area which is at least 2 metres away from other people Use staff room. <b>Staff member</b> present to ensure velux window is opened. See staff protocol booklet p7.			
If the pupil needs to go to the toilet while waiting to be collected, they should use a separate toilet if possible. The toilet should be cleaned and disinfected using standard cleaning products before being used by anyone else	No spare toilet available in school. <b>Headteacher</b> or <b>member of admin</b> <b>team</b> (if headteacher is teaching or absent) will clean toilet if this occurs and record on checklist on toilet wall alongside regular cleaning details. See staff protocol booklet p7			
PPE should be worn by staff caring for the pupil while they await collection if a distance of 2 metres cannot be maintained (such as for a very young pupil or a pupil with complex needs)	See Inadequate Personal Protection & PPE section of this risk assessment Staff training on INSET day Sept 7/8 <sup>th</sup> Sept Staff reminded 3.3. See staff protocol booklet p87	×		
In non-residential schools, if a pupil displays coronavirus (COVID-19) symptoms, or has a positive test, while at their school they should avoid using public transport and, wherever possible, be collected by a member of their family or household	No children use public transport at time of writing. Admin team to inform parent when asked to pick up.	×		
In exceptional circumstances, if parents or carers cannot arrange to have their child collected, if age-appropriate and safe to do so the child should walk, cycle or scoot home following a positive test result	If this is not possible, alternative arrangements may need to be organised by the school. The local authority may be able to help source a suitable vehicle which would provide appropriate protection for the driver, who must be made aware that the individual has tested positive or is displaying symptoms Admin team to discuss this with parent when asked to pick up.			
In an emergency, call 999 if the pupil is seriously ill or injured or their life is at risk.	Anyone with coronavirus (COVID-19) symptoms should not visit the GP, pharmacy, urgent care centre or a hospital Follow usual procedures. Admin team to make the call.			

	See staff protocol booklet p7			
Any member of staff who has provided close contact care to someone with symptoms, even while wearing PPE, and all other members of staff or pupils who have been in close contact with that person with symptoms, even if wearing a face covering, <b>do not</b> need to go home to self-isolate unless: • the symptomatic person subsequently tests positive • they develop symptoms themselves (in which case, they should arrange to have a test) • they are requested to do so by NHS Test and Trace or the PHE advice service (or PHE local health protection team if escalated) • they have tested positive from an LFD test as part of a community or worker programme	See staff protocol booklet p7 Staff informed 3.3			
Everyone must wash their hands thoroughly for 20 seconds with soap and running water or use hand sanitiser after any contact with someone who is unwell	See staff protocol booklet p7.			
The area around the person with symptoms must be cleaned with normal household disinfectant after they have left to reduce the risk of passing the infection on to other people	<ul> <li><u>COVID-19: cleaning of non-healthcare</u> <u>settings guidance</u> Area to be thoroughly cleaned and ventilated following collection of unwell person.</li> <li><b>Staff</b> member present to clean using standard cleaning product in all classrooms.</li> <li>See staff protocol booklet p7.</li> </ul>	×		
Site User Developing Symptoms				
Schools must ensure that staff members and parents/carers understand that they will need to be	The advice service (or PHE local health protection team if escalated) will provide definitive advice on who must be sent home. A template letter			

ready and willing to <u>book a</u> <u>test</u> if they are displaying symptoms. The main symptoms are a high temperature, a new continuous cough and/or a loss or change to your sense of smell or taste. Staff and pupils must not come into the school if they have symptoms, and must be sent home to self-isolate if they develop them in school. All children can be tested if they have symptoms, including children under 5, but children aged 11 and under will need to be helped by their parents or carers if using a home testing kit School have received an	<ul> <li>will be provided to schools, on the advice of the health protection team, to send to parents and staff if needed</li> <li>Letter to parents 3.3 (and previously letter to parents 16.7 and reminder letter sent on 8.9.Guidance poster sent 17.9).</li> <li>See staff protocol booklet p7. Staff reminded on INSET day 7/8<sup>th</sup> Sept and 3.3</li> <li>Parents to telephone school by 8.30am to notify school if pupil is not attending. Letter to parents 23.2 (and previously letter 16.7 and 7.9. PHE flowchart sent to parents 16.7).</li> </ul>		
School have received an initial supply of 10 home test kits and information about how to order to replenish this supply when they are running out	Received Autumn 2020. None used as at time of writing. To be reordered as needed		
School determines how to prioritise the distribution of their test kits in order to minimise the impact of the virus on the education of their pupils.	The test kits sent to schools are provided to be used in the exceptional circumstance that an individual becomes symptomatic and schools believe they may have barriers to accessing testing elsewhere. These kits can be given directly to staff or parents and carers collecting a child who has developed symptoms at school. In particular, these tests kits will also help ensure that symptomatic staff can also get a test and if they test negative, can return to work as soon as they no longer have symptoms of coronavirus (COVID-19). Further information is provided in our guidance <u>Coronavirus (COVID-19):</u> test kits for schools and FE providers. None used as at time of writing. To be distributed and reordered as needed		
The asymptomatic testing programme does not replace the current testing policy for those with symptoms. Anyone with symptoms (even if they recently had a negative LFD test result), should still self-isolate immediately according to government guidelines	Staff informed 3.3 Parents informed 3.3		

		1	
Those with symptoms are expected to order a test online or visit a test site to take a lab-based polymerase chain reaction (PCR) test to check if they have the virus	Staff informed 3.3 Parents informed 3.3		
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to provide details of anyone they have been in close contact with if they were to test positive for coronavirus (COVID-19) or if asked by NHS Test & Trace	Letter sent to parents 3.3 (and previously on 7.9, 3.2). See staff protocol booklet p8. Staff reminded on INSET day 7/8 <sup>th</sup> Sept and 3.3.		
Schools must ensure that staff members and parents/carers understand that they will need to be ready and willing to <u>self-</u> <u>isolate</u> if they have been in close contact with someone who develops coronavirus (COVID-19) symptoms or someone who tests positive for coronavirus (COVID-19)	Household members of those contacts who are sent home do not need to self-isolate themselves unless the child, young person or staff member who is self-isolating subsequently develops symptoms Letter sent to parents 3.3 (and previously on 7.9 and 3.2). See staff protocol booklet p7. Staff reminded on INSET day 7/8 <sup>th</sup> Sept and 3.3.		
Parents and staff are asked to inform the school immediately of the results of a test	Schools must not share the names or details of people with coronavirus (COVID-19) unless essential to protect others Letter sent to parents on 3.3 (and previously 7.9 and 3.2). See staff protocol booklet p7. Staff reminded on INSET day 7/8 <sup>th</sup> Sept and 3.3.	Ø	
If someone with symptoms tests negative for coronavirus (COVID-19), then they need should stay at home until they are recovered as usual from their illness but can safely return thereafter. The only exception to return following a negative test result is where an individual is separately identified as a close contact of a confirmed case, when they will need to self-isolate for 10 days from the date of that contact	Schools should not request evidence of negative test results or other medical evidence before admitting children or welcoming them back after a period of self-isolation Letter to parents 3.3 (and previously 16.7 and 7.9). See staff protocol booklet p7 Staff reminded on INSET day 7/8 <sup>th</sup> Sept. and 3.3		

Someone who is self- isolating because they have been in close contact with someone who has tested positive for coronavirus (COVID-19) starts to feel unwell and gets a test for coronavirus themselves, and the test delivers a negative result, they must remain in isolation for the remainder of the 10-day isolation period	This is because they could still develop coronavirus (COVID-19) within the remaining days		
If someone with symptoms tests positive, they should follow the <u>'stay at home:</u> <u>guidance for households with</u> <u>possible or confirmed</u> <u>coronavirus (COVID-19)</u> <u>infection'</u> and must continue to self-isolate for at least 10 days from the onset of their symptoms and then return to school only if they do not have symptoms other than cough or loss of sense of smell/taste. This is because a cough or anosmia can last for several weeks once the infection has gone. The 10- day period starts from the day when they first became ill. If they still have a high temperature, they should continue to self-isolate until their temperature returns to normal. Other members of their household should all self-isolate for the full 10 days	<ul> <li>PHE Flow chart to be followed on staff room noticeboard. All staff signposted to it on INSET Day Sept 7<sup>th</sup>/8<sup>th</sup> and 3.3 and emailed to staff with RA. Letter to parents sent 3.3 (and previously 7.9 and 3.2). CYC poster sent to parents 3.2. See staff protocol booklet p7.</li> <li>Headteacher to telephone DfE on 08000468687 and contact CYC at education@york.gov.uk</li> </ul>		
Schools send home those people who have been in close contact with the person who has tested positive, advising them to self-isolate for 10 days since they were last in close contact with that person when they were infectious	<ul> <li>Close contact means:</li> <li>direct close contacts - face to face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face to face conversation, or unprotected physical contact (skin-to-skin)</li> <li>proximity contacts - extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual</li> <li>travelling in a small vehicle, like a car, with an infected person</li> </ul>		

	PHE Flow chart to be followed on staff room noticeboard. All staff signposted to this on INSET Day Sept 7 <sup>th</sup> /8 <sup>th</sup> and emailed to staff with RA. Letter to parents sent 3.3 (and previously 7.9 and 3.2 with CYC poster) .See staff protocol booklet p7.		
School must take swift action when they become aware that someone who has attended has tested positive	This can be reached by calling the DfE Helpline on 0800 046 8687 and selecting option 1 for advice on the action to take in response to a positive case. Schools will be put through to a team of advisers who will inform them of what action is needed based on the latest public health advice		
for coronavirus and must contact the dedicated advice service introduced by Public Health England (PHE) and delivered by the NHS Business Services Authority	<b>PHE Flow chart</b> to be followed on staff room noticeboard. All staff signposted to it on INSET Day Sept 7 <sup>th</sup> /8 <sup>th</sup> and 3.3 and emailed to staff with RA. Letter to parents sent 3.3 (and previously 7.9 and 3.2). CYC poster sent to parents 3.2. See staff protocol booklet p7.		
	<b>Headteacher</b> to telephone DfE on 08000468687 and contact CYC at education@york.gov.uk		
Public Health England has good evidence that routinely taking the temperature of pupils by the school is not recommended as this is an unreliable method for identifying coronavirus (COVID-19) so this does not take place	Temperature of pupils will not be routinely taken. See staff protocol booklet p4. Staff to be reminded on INSET day 7/8 <sup>th</sup> Sept	×	
Inadequate Hand Washing/P	ersonal Hygiene		
Staff/pupils/cleaners/contract ors etc. will be reminded to clean their hands regularly, including when they arrive at school, when they return	Ensure that staff have sufficient time to wash their hands regularly, as frequently as pupils <b>Staff</b> reminded on INSET day 7/8 <sup>th</sup> sept and 3.3. Posters up in toilets and classrooms to remind children. Letter to parents 23.2 (and previously 16.7 and 7.9)	×	
from breaks, when they change rooms and before and after eating	<b>Children</b> reminded on first day back March 8th and regularly by staff. See staff protocol booklet p4. Hands to be washed on entering building, after break and lunch, before leave school and before/after eating		

	(and before/at end of ASC). Parents		
	reminded in letter 23.2 (and previously 7.9 and reminded then also that they will need to moisturise hands regularly at home).		
Consideration given to how often pupils and staff will need to wash their hands and incorporated time for this is in timetables or lesson plans	Hands to be washed on entering building, after break and lunch, before leave school and before/after eating (and before/at end of ASC). To be added to class timetables from 8.3. Staff informed 3.3. See staff protocol booklet p4	$\boxtimes$	
Staff working with pupils who spit uncontrollably may want more opportunities to wash their hands than other staff	No children at time of writing. RA to be amended as needed. Staff informed 3.3 in case any of new children starting on 8.3 need reminders.		
Pupils who use saliva as a sensory stimulant or who struggle with 'catch it, bin it, kill it' may also need more opportunities to wash their hands and this has been considered	These pupils reminded more regularly by class teacher/TA	$\boxtimes$	
Help given to pupils with complex needs to clean their hands properly	Visual prompts in use for SEN child. On display in staff/disabled toilet	$\boxtimes$	
Risk assessments for pupils with complex needs that may struggle to maintain as good respiratory hygiene as their peers, for example those who spit uncontrollably or use saliva as a sensory stimulant, have been updated in order to support these pupils and the staff working with them	No children at time of writing. RA to be amended as needed. Staff informed 3.3 in case any of new children starting on 8.3 need RA.	X	
Hands are washed with liquid soap & water for a minimum of 20 seconds	Staff reminded on INSET day 7/8 <sup>th</sup> sept and 3.3. Posters up in toilets and classrooms to remind children and staff. Letter to parents 3.3 (and previously 16.7 and 7.9) Children reminded on first day back Jan 5 <sup>th</sup> and March 8 <sup>th</sup> and regularly by staff. See staff protocol booklet p2.		
The school has considered whether they have enough hand washing or hand sanitiser 'stations' available so that all pupils and staff	Sink and soap in each classroom and extra hand towel dispensers for pupils and staff purchased in June/July to allow for drying in classrooms/hall/kitchen.	×	

can clean their hands			
regularly	Hand dryers to remain out of action until further notice.		
Alcohol based hand cleansers/gels can only be used if soap and water are not available, but is not a substitute for hand washing. Such gels MUST ONLY BE USED UNDER CLOSE SUPERVISION. In normal circumstances pupils should not be using alcohol based hand cleansers because of the risk of ingestion	Skin friendly cleaning wipes can be used as an alternative e.g. at forest and village field Alcohol based sanitiser in office to be used by adults only if soap/sink not available e.g. if emergency in hall or kitchen and sink cannot be reached. See staff protocol booklet p4.	×	
School has embedded hand washing routines into school culture, supported by behaviour expectations to help ensure younger pupils and those with complex needs understand the need to follow them	Children reminded on first day back Jan 5 <sup>th</sup> and March 8 <sup>th</sup> and regularly by staff. Posters up to remind. Assembly by <b>headteacher</b> on zoom on 8 <sup>th</sup> March to remind children of routines	X	
The 'catch it, bin it, kill it' approach is very important and is promoted	CAATCCH IT       Good State         Germa spread easily. Always carry tough or sneeze.       Good State         BIN IT       Good State         Germa can live for sweral hours on touse.       Good State         NULL IT       Good State         Wards can transfer germs to every surface you tube. Clean your hands as you can.       Good State         Staff reminded on 3.3 and INSET day 7/8.9       Parent letter 23.2 (and previously 16.7 and 7.9). Posters up in toilets and classrooms to remind all. See staff protocol booklet p4.	X	
Disposable tissues are available in each room for both staff and pupil use	Tissue box available in each classroom, office, kitchen, hall and head's room. Spare stock in staff toilet. To be reordered as needed by admin team. See staff protocol booklet p5.	Ø	
Bins (ideally lidded pedal bins) for tissues are available in each room	Each room in school now has lidded bin. To be emptied each morning by caretaker and each lunchtime by MSA. Contents to be double bagged. See staff protocol booklet p6.	X	
School has embedded the 'catch it, bin it, kill it' approach to ensure younger pupils and those with complex needs get this right,	The <u>e-bug</u> website contains free resources for schools, including materials to encourage good hand and respiratory hygiene	$\boxtimes$	

and that all pupils	Parents sent link 3.3. Staff reminded		
understand that this is now	3.3		
part of how the school operates	See staff protocol booklet p4 and 9		
Inadequate Personal Protect	tion & PPE		
Adults (staff and visitors) in Primary schools DO wear face coverings in areas outside of the classroom	Staff, visitors and contractors to wear face coverings when moving around school and when in small spaces such as office and kitchen. Staff informed of this change from 29.9 and reminded 4.1 and 3.3 See staff protocol booklet p1 Staff may wear face coverings in small group work and TA who also works at another school may wear a face covering when leading small group work, as extra precaution	X	
Children in Primary schools do not need to wear a face covering	Face coverings not to be worn by pupils in school at all.	$\boxtimes$	
Transparent face coverings can also be worn, but only to assist communication with someone who relies on lip reading, clear sound or facial expression to communicate	Staff, visitors and contractors to wear face coverings (not transparent kind) when moving around school and when in small spaces such as office and kitchen. Staff informed of this change 3.3. See staff protocol booklet p7	X	
Face visors or shields are not routinely worn as an alternative to face coverings	Visors may protect against droplet spread in specific circumstances but are unlikely to be effective in preventing aerosol transmission, and therefore in a school environment are unlikely to offer appropriate protection to the wearer Staff informed of this change 3.3. See staff protocol booklet p7	×	
Face coverings do not need to be worn by pupils when outdoors on the premises	Face coverings not to be worn by pupils in school at all.	X	
Those who rely on visual signals for communication, or communicate with or provide support to such individuals, are currently exempt from any requirement to wear face coverings in schools or in public places	N/a at time of writing. RA to be amended as needed	X	
Pupils are instructed to: • not touch the front of their face covering during use or when removing it	Any children who arrive on school bus who may wear a face covering will be reminded of these procedures by headteacher on 8 <sup>th</sup> March	X	

<ul> <li>dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin)</li> <li>place reusable face coverings in a plastic bag they can take home with them</li> <li>wash their hands again before heading to their classroom</li> </ul>	<ul> <li>Pupils who arrive wearing a face covering must remove it, must wash their hands immediately on arrival (as is the case for all pupils), dispose of temporary face coverings in a covered bin or place reusable face coverings in a sealable plastic bag they can take home with them, and then wash their hands again before heading to their classroom</li> <li>Pupils to store bag in cloakroom. Wash hands in classroom sink if in Willow.</li> <li>If Oak or Rowan, wash hands in bathroom to minimise risk of touching classroom door.</li> </ul>		
Clear instructions are provided to staff and pupils on how to put on, remove, store and dispose of face coverings, to avoid inadvertently increasing the risks of transmission	Discussed at staff INSET on 7.9, see minutes. Staff reminded 3.3 See staff protocol booklet p7	$\boxtimes$	
Safe wearing of face coverings requires cleaning of hands before and after touching – including to remove or put them on – and the safe storage of them in individual, sealable plastic bags between use	See staff protocol booklet p1.		
Where a face covering becomes damp, it should not be worn and the face covering should be replaced carefully	Staff and pupils may consider bringing a spare face covering to wear if their face covering becomes damp during the day Staff informed 3.3 See staff protocol booklet p7.	×	
Where anybody is struggling to access a face covering, or where they are unable to use their face covering due to having forgotten it or it having become soiled or unsafe, the school has taken steps to have a small contingency supply available to meet such needs	There is a small supply of face coverings in the school office, in case of need, on 'old tuck shop shelf'. See staff protocol booklet p7.	X	
School has a process for when face coverings are worn within the school and how they should be removed	This procedure should be communicated clearly to pupils and staff Staff reminded 3.3 Staff instructed to: • arrive wearing a face covering		

and young people who cough, spit or vomit but do not have coronavirus (COVID-19) symptoms, only any PPE that would be	N/a at time of writing. RA to be amended as required		
When working with children			
PPE for coronavirus (COVID-19) is required when performing <u>aerosol</u> generating procedures (AGPs)	N/a at time of writing. RA to be amended as required	Ø	
PPE will need to be worn by a member of staff if a pupil becomes unwell with symptoms of coronavirus while in their setting and needs direct personal care until they can return home. A face mask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with the pupil is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing to the eyes, for example from coughing, spitting, or vomiting, then eye protection should also be worn	safe working in education, childcare and children's social care 2 sets of PPE in school, supplied by CYC in June. Stored in office on 'old tuck shop shelf'.		
	<ul> <li>wear a face covering at all times when moving around building</li> <li>not touch the front of their face covering during use or when removing it</li> <li>dispose of temporary face coverings in a 'black bag' waste bin (not recycling bin)</li> <li>place reusable face coverings in a plastic bag they can take home with them</li> <li>store face covering away from children and other staff when not wearing it</li> <li>wash their hands regularly, especially after removing face covering</li> <li>leave wearing a face covering</li> <li>replace face covering if damp</li> <li>See staff protocol booklet p7</li> </ul>		

	Admin team or headteacher to pick it up using gloves and open using gloves. Envelopes to be binned in lidded bin. Any unwrapped items to be left untouched and out of reach for 48 hours. See staff protocol booklet p6. Computer version created w/b 22.6 to minimise cross contamination. Stored		
Paper accident book to continue to be temporarily replaced	on server and sent to parents via email (by admin) instead of slip sent home with child. Reviewed 3.7 and 5.1. New system used successfully and will remain in place until further notice. ASC to continue with paper version but wash hands well before and after writing and giving to parent. See staff protocol booklet p6.		
Visitors, Contractors & Spre	ad of Coronavirus		
All visitors and contractors must make pre-arranged appointments or they will not be allowed on site	All visitors and contractors must make pre-arranged appointments with admin team/headteacher or they will not be allowed on site. Visits arranged out of school hours where possible. Pre-made Visitor badge to be worn so no need of lanyard. Made on INSET day 1.6.20 (with school logo, name and date). Visitors to wear face masks if walking around building or meeting head/teacher as safe 2m distance cannot be maintained (e.g. on tour of building as corridors are small). Headteacher to wear face covering when conducting new starter tours. Admin team to fill in visitors book so record can still be kept of routine maintenance and for track and trace. See staff protocol booklet p6. Visitors to be guided through protocols by admin team or headteacher on arrival at school		
School ensures site guidance on physical distancing and hygiene is	Admin team to explain to contractors. See staff protocol booklet p6		

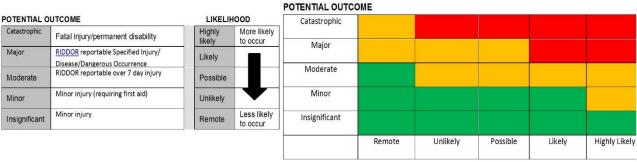

ovaloined to visitors and			
explained to visitors and contractors on or before arrival			
Where visits can happen outside of school hours, they are arranged as such	Visits arranged out of school hours where possible. <b>Caretaker or head</b> to be present. Ideally two people.	×	
Contractors to attend by agreement only after school have satisfied themselves that it is necessary for the visit to take place at that time and that all required controls are in place to allow the work to continue safely	DBS/ID to be checked as usual and all other usual precautions taken.		
Contractors to provide updated risk assessment prior to visit which includes their own controls round infection spread prevention	Times of visits may need to be adapted to take in to account the ability to maintain appropriate social distancing measures and availability of resources to effectively clean following the visits <b>SBM</b> to request RA prior to work		
As normal, school engages with their local immunisation providers to provide immunisation programmes on site, ensuring these are delivered in keeping with the school's control measures	These programmes are essential for children's health and wellbeing		
A record is kept of all visitors with sufficient detail to support rapid contact tracing if required by NHS Test and Trace.	Visitors not to fill in book – <b>admin</b> <b>team</b> to fill in instead. See staff protocol booklet p6. Details to be taken for purpose of Track and Trace. Need to ensure record of contact with children and other adults that are within 2m and for more than 15mins.		
Inadequate Ventilation			
Occupied spaces must always be well ventilated and a comfortable teaching environment maintained	This can be achieved by a variety of measures including: <b>mechanical ventilation systems</b> – these should be adjusted to increase the ventilation rate wherever possible, and checked to confirm that normal operation meets current guidance (if possible, systems should be adjusted to full fresh air or, if not, then systems should be operated as normal as long as they are within a single room and supplemented by an outdoor air supply) <b>Caretaker</b> to open classroom and hall windows each morning.		

	<b>Ctaff</b> to aloog them at and af day.		
	Staff to close them at end of day.		
	<b>Head</b> (or designated last person in if head is absent) to check windows are closed prior to leaving.		
	See staff protocol booklet p4.		
	At <b>village hall</b> , windows to be opened and closed by staff member using.		
	Staff reminded of ventilation need 5.1 and 3.3 (see staff meeting minutes)		
Ventilate spaces with outdoor air	Natural ventilation – if necessary external opening doors may also be used provided this doesn't compromise safeguarding measures Windows open in each classroom and headteacher's office. Front door or office velux window also open if extra ventilation needed because two members of staff in office. See staff protocol booklet p5	X	
Where possible, occupied room windows should be open	All classrooms have windows which can be opened. Parents informed by letter 3.3 (and previously 23.10 and 2.11) and advised that children may need extra layers. Staff informed 1.11, 5.1 and 3.3.	X	
Switch air handling units with recirculation to 100% outdoor air where this is not possible, systems are operated as normal	Further advice on this can be found in Health and Safety Executive guidance on <u>air conditioning and ventilation</u> <u>during the coronavirus outbreak</u> and <u>CIBSE coronavirus (COVID-19)</u> <u>advice</u> . Circulation system in children's toilets to be used as normal, with windows open also		
Prop doors open, where safe to do so (bearing in mind fire safety and safeguarding), to limit use of door handles and assist with creating a throughput of air	Fire doors must not be propped open unless they have a self-closing hold open device fitted Internal doors to be opened. See staff protocol booklet p5	×	
In cold weather where the school heating system is activated, windows are open to provide trickle ventilation rather than being fully open	natural ventilation – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space) windows open a small amount in cold weather	$\boxtimes$	
Consideration given to opening high level windows in preference to low level to reduce draughts	Due to nature of Victorian building, all windows are high. In Rowan, open top section of windows. In Oak, open velux windows a little		

	1			1			
Consideration given to only opening every other window instead of all windows when the heating is activated	three. C		are in sets of ide ones in each ol booklet p5				
The school offers flexibility to allow additional, suitable indoor clothing	For more information see <u>School</u> <u>uniform</u> Parents informed by letter 3.3 (and previously 23.10 and 2.11) and advised that children may need extra layers. Staff informed 1.11, 5.1 and 3.3. To be monitored as weather changes.			Ø			
Furniture rearranged where possible to avoid direct drafts	All des	ks are away fr	om doors	$\boxtimes$			
Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces	Heating	g on timer as u	usual	×			
When heating is activated and windows are on trickle vent, consideration is given to employing desk fans to move any stagnant pockets of air	Desk fans are pointed away from people and pointed at walls etc. Desk fans to be purchased if deemed necessary. To be kept under review.			⊠			
If school needs to use additional heaters they only use sealed, oil filled electric heaters	Electric fan heaters used sparingly due to increased fire and electrical risk To be purchased if necessary. To be kept under review.
