A Nut Free School

5th July 2021

Dear Parents,

What strange weather! We have adapted our sports day plans today because of very wet grass and decided to postpone the races until next week. The children have all still had great fun competing in jumping and throwing events organised by Mr Davies today. Next week they will race and also play some games like rounders and cricket in their bubbles, so will continue to have fun and will be able to watch each other at a distance

What's on this week:

Year 6 Bikeability Level 3

All Year 6 children are doing L3 Bikeability this week. You have already been reminded which day your child is doing this (Thursday or Friday) so please make sure they come to school that day with their bike and their helmet.

Friends of Naburn

You should have received your leaflets last week inviting you to join our new school and village 100 club. We really need to sell 100 numbers for this club to work so please sign up, buy a number or two or three, and encourage your friends and family to join too. If you need more forms please contact the office. Please return your joining slip to the school as soon as possible so we can process them all before the end of term (24th July) and make the first draw on 1st August. For only £12 a year you are in with a chance of winning £50 per month, so it's well worth taking part! Thanks in advance for your support with this.

Jo Cole from Bereaved Children Support York has passed on her very grateful thanks to all the children who walked to France and raised so much money for both school and for her charity. £500 has now been sent to her.

TTRockstars

Last week's battle between Year 4 and Year 6 was won by Year 4. James was the most valuable player in Y4 and Charlie was the most valuable player in Year 6. The Rockstar of the Week (the person scoring the highest across all year groups in school) was Jack. **Well done to all of them.** The battle this week is between Year 3 and Year 5, so get battling! Next week it will be between Year KS1 and Year 4, so get practising!

Staff collections

Thank you for the money that you have sent into school so far for the leaving staff collections. If you would like to send money in then please do so by next Monday (12th) at the latest.

Meet the Teacher on Zoom

Following on from our recent parents' meeting and subsequent discussions at governors, we have decided to hold our usual 'Meet the Teacher' event for KS2 children before we break up, rather than in September. This will give you a chance to meet Miss Brett and Mrs Mann if they are new to you and also to find out about arrangements for next year in more detail. The meeting will be on Thursday July 15th at 5pm. Zoom details will be sent via Parentpay nearer the time. If you have questions, it would be helpful if they are emailed into school by Monday 12th.

Leavers' Trophies

If anyone has a leaver's trophy awarded 2 years ago please return it to school. Many thanks.

Schoolshop and Clarks

Please see the attached letters from our school uniform provider and from Clarks shoe shop, both outlining their arrangements during the summer holidays.

Reminder about keeping safe

There are once again increasing numbers of covid in York and a lot of primary schools are now affected. We have again been asked by Public Health England to remind everyone again about the importance of hands, face, space and keeping up with lateral flow testing of adults at home and PCR testing for anyone who has symptoms.

Many thanks,
Mrs Christison
