Requirement	Compliance and Provision
What are Special educational needs?	A child or young person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for him or her.
	<ul> <li>A child of compulsory school age or a young person has a learning difficulty or disability if he or she:</li> <li>has a significantly greater difficulty in learning than the majority of others of the same age, or</li> <li>has a disability which prevents or hinders him or her from making use of facilities of a kind generally provided for others of the same age in mainstream school</li> </ul>
Describe the kinds of	Each child with SEND is unique and their needs will be considered individually. However children's needs broadly fall into four areas:
special educational needs for which provision in made	(a) <b>Cognition and Learning needs</b> (including Specific Learning Difficulty, Moderate learning difficulties, dyslexia, dyspraxia or dyscalculia)
	(b) <b>Social, Emotional and Mental</b> health (including Attention Deficit disorder, Attention Deficit hyperactivity disorder, Attachment disorder)
	(c) <b>Communication and Interaction needs</b> (including difficulties communicating with others. Those with Autistic Spectrum Condition may display difficulties in this area)
	(d) Sensory and/or physical needs (including visual or hearing impairment).
	Provision is made for the support, wellbeing and progress of all children with additional needs. In addition to those identified as having SEND children support is also provided for children with English as an
	additional language and those in receipt of the Pupil Premium Grant.
	The school is fully accessible for wheelchairs including lift access to the first floor.

What should I do if I think	The class teacher is the first point of contact. We operate an open door policy where teachers are ready	
my child might have special	to chat about any issues. A meeting can be arranged with the teacher where we will listen to and discuss	
educational needs?	your concerns. We know that we can draw on your experiences at home and together we can then build a	
	better picture of the concerns and how to move forward.	
	The SENDCo will then become involved to work with yourselves and staff to create a plan of action.	
	We can then arrange for your child to be assessed either by ourselves or following a period of	
	intervention, an external partner.	
	We will support you through this process and review provision to find out what works best for your child.	
How will Naburn CE Primary	Step 1- Following identification, specific, measurable targets are identified and written, which will be	
support my child?	monitored by the SENDCo. Carefully planned support is then given, which can be classroom based	
	through differentiation of activity, support, resource, etc. They may also be taken out of the classroom to	
	work individually or in a small group. This teaching is tailored to the children's needs and planned in small	
	steps as they progress.	
	Step 2- If even with extra help, a child is still having difficulties and not making expected progress, the	
	class teacher and SENDCo may, with your permission, ask for specialist help from outside the school.	
	Some children are then referred to specialist support workers, such as Speech and Language, Health and	
	Wellbeing Worker or Educational Psychologists who can offer further support to the child, school and	
	family, creating a unified, supportive approach.	
	Specialist equipment may be provided to help your child further, for example a coloured overlay for	
	reading, a writing slope or a pencil grip. If necessary, on-going help and advice from the support agency	
	may then form part of a My Support Plan.	
	Step 3-A small number of children may need more support than this and the Educational Psychologist	
	may advise us to refer your child for Statutory Assessment. The Local Authority will then carry out a	
	detailed assessment in order to see if an Education and Health Care Plan (EHCP) is necessary. An EHCP is	
	a legal document, which sets out the child's needs and the special help that your child should have. This	
	plan is a multi-agency approach to supporting your child to make progress. This is only necessary where	
	there is a level of need that goes beyond what is ordinarily provided by the school and the normal	
	support agencies. An EHCP is reviewed annually.

#### Naburn CE Primary School Special Educational Needs and Disability (SEND) report

Regular Pupil Progress meetings are held between teachers and the Head teacher and targets and
progress will be discussed then, so informing future plans and provision.
Lisa Solanki
Anne Clark
Children are admitted to Naburn Church of England Primary School according to the City of York
Admissions Policy. The admission of pupils with disabilities is considered in the first instance in the same
way as non-disabled pupils. The school complies fully with the Equality Act 2010 and the School
Admissions Code 2021 in relation to the arrangements for the admission of disabled pupils. Where the
school is oversubscribed all children are admitted in accordance with the published oversubscription
criteria. Where a child is disabled the school will make reasonable adjustments and provide auxiliary aids
or services to ensure that no disabled child is placed at a substantial disadvantage compared to other
pupils.
Parents of children with disabilities are advised to speak to us prior to admission to discuss any
reasonable adjustments required so that we can plan accordingly.
Classroom displays ensure prompts are available to support learning, such as key words, alphabet strips
or number bonds
Reduced stimulus Early years and keystage 1 class environment
Table top resources encourage independent learning such as alternative forms of recording, coloured
overlays.
Flexible grouping, including small group working.
Additional ramps, a hygiene suite and lift were added to the school building in 2009
We are happy to discuss individual access requirements and adapt our Access Plan as required so that it
meets the needs of all our children.
At present in school we have:
Access ramps to doors
Wheelchair accessible doors
Most classes on ground level, with a lift to first floor Y5/6 classroom
1 disabled toilet/hygiene suite

	Carpeted rooms to reduce noise for the hearing impaired	
	Provision of a translation service for parents whose first language is not English	
Describe activities that are	A range of extra-curricular lunch and after school activities is available for all pupils in school.	
available to children with	All activities and trips are made as inclusive as possible and available to all children.	
special educational needs in	A risk assessment is carried out before each trip and adjustments made as necessary, for extra adult	
addition to the curriculum	support	
What support is available	Small school, family atmosphere	
for improving my child's	Core Christian values at the heart of all we do (compassion, perseverance and trust)	
social and emotional	School Council	
development?	Y6 buddies for Reception children	
	Healthy child team provided by the NHS	
	Midday supervisors are available throughout the lunch hour to offer support as needed	
	Support from CYC Health and Wellbeing Services as needed	
What if my child has	A detailed care plan is drawn up (with support from other agencies as needed) and made available to all	
medical needs?	staff who are involved with the pupil.	
	The school lunch provider is made aware of medical and dietary needs.	
	Staff are trained regularly e.g. Epipen training and First Aid.	
	Mr Green, Mrs Atkinson, Mrs Coultas, Mrs Fletcher, Mrs Noble, Mrs Rotchell and all Paediatric first aid	
	trained along with one of our MSAs, Mrs Bradshaw.	
	Medicines can be administered in school, if necessary, but only when, after a discussion with parents, a	
	written medicine consent form is signed by the parent, to ensure the safety of the pupil and staff (in	
	accordance with School Policy).	
What specialist agencies are	School can access a range of specialist help, some through the LA and some through the Cluster. Example	
available to school?	are as follows:	
	Educational psychologist	
	Speech and Language support (SALT)	
	Specialist teaching team for Autism, Hearing needs, visual needs, physical needs	
	CAMHS (Child and Adult Mental Health Services)	
	Social Services	

York District Hospital (paediatricians)
School Nurse/Healthy child team
ERP (Enhanced Resource Provision at St Oswald's, Haxby Road)
Behaviour/Social, emotional and mental health (SEMH support)
Health and Wellbeing Officer
SENDIASS (Special Educational Needs and Disability Information, Advice and Support Service)
Individual children may also be referred through their GP.
Records and other communications are transferred from school to school prior to a child leaving or
joining.
Visits are made to local nurseries and transition days are planned for new starters.
Transition to local secondary schools is carefully planned, with teachers from the secondary school
visiting to meet the children and visits to the school planned also.
SENDCo meetings between staff are also planned as part of the transition to secondary school. Visits can
also be planned and transition plans are personalised to the needs of the child. Transport practices are
arranged through the Transport Officer as appropriate.
The Head teacher is always available to chat through any worries.
We hope that we can all work together to see your child make good progress. If however you have a
complaint about the way we have supported and helped your child, the following steps should be taken:
1. Discuss the matter with the class teacher and/or the SENDCo.
2. If the problem is not resolved arrange a meeting with the Head Teacher. It may be appropriate for
others to be involved in the meeting (e.g. the class teacher, SENDCo or Educational Psychologist). You can
also speak with the SEND Governor, Anne Clarke. We will make every effort to resolve the matter in
school.
3. If the problem still remains unresolved you can meet with a representative of the Local Authority.

To be reviewed September 2024
