Headteacher's Introduction

Welcome back! It was lovely to see so many smiling faces, happy to skip into school this week.

The children have settled well and have had a brilliant start to the new term. We are delighted to have welcomed our new permanent members of staff this term too - Mrs Uttley and Mrs Davies. In other exciting news, we have voted on a tree-themed name for what was formerly known as the 'middle classroom' and the children have chosen 'Willow Class', which we all think is lovely!

We have lots of events planned for this term including our offer of more varied clubs - you asked - we listened and acted!

Wishing you all a great weekend in the sunshine! :-)

AND THE WINNERS ARE...

Attendance House Winners

Aspiration

Celebration Winners

House Point Winners

Aspiration

SATS Club

Who knew SATS Club could be this much fun?? Y6 getting giddy over grammar whilst competing to wear the 'SATS Hat's

Our attendance this week is: **81.7%**

The National Average is: **94.2%**

School Newsletter

This half term our topic is 'Roots, Shoots and Muddy Boots!' After reading the 'Superworm' story. We have been very busy using our senses exploring natural world materials in the tuff tray. During an outdoor session we used, magnifiers, spades and trowels to dig carefully in the soil looking for worms. We also found ladybirds and wood lice.

Acorn Class

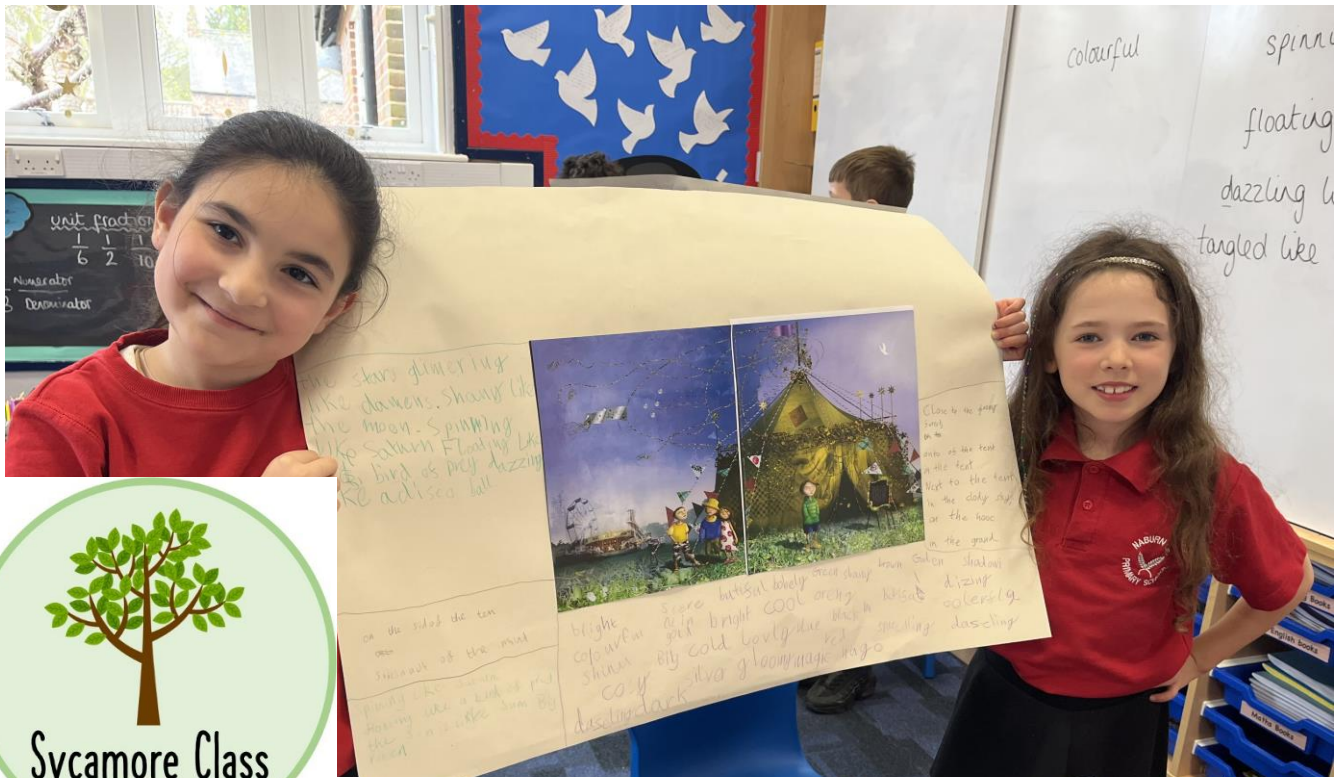

The children had a fantastic afternoon visiting our mobile library earlier this week. We had so much fun when we had the chance to explore the children's books to read! Before the end of our session, we each chose a book to check out of our class account... we are looking forward to sharing our chosen stories at home.

School Newsletter

Year 3/4

Year 3&4 have been diving into the world of magic and writing wonderful setting descriptions for our book 'Leon and the Place Between.'

School Newsletter

Year 5/6

Year 5/6 have made an excellent start to the Summer term and, this week, have begun to learn all about the terrific Tudors by creating human historical timelines and Tudor roses and examining Henry VIII's rather complex family tree! In Science we have been creating mnemonics to remember the order of the planets in our solar system and have perfected the use of the protractor in maths! Year 6 made a very enthusiastic start to SATS Club on Wednesday ("SATS hats" all round!!) and we are LOVING our new novel - The Devil and his boy. Top tip: don't ever eat the soup in a pub called the Pig's Head...
