## Headteacher's Introduction

What another exciting week we've had! It's been great to see and hear all about the topics the children are learning. Acorn class made wormeries, sock puppets and learnt all about 'Superworm!' In Willow class, the children are delighted with their new book Leon and the Place Between and have written some excellent setting descriptions that are up on display - their handwriting is beautiful! Sycamore are enjoying the topic about the Tudors and are keen to share their learning with everyone as well as being excited for the trip to Temple Newsam.  
Enjoy the weekend!

AND THE WINNERS ARE...

## Attendance House Winners

FRIDAY: Football Club with  
Total Sports 3.15-4.15pm

Our attendance this week is: **82.9%**

The National Average is: **94.2%**

# School Newsletter

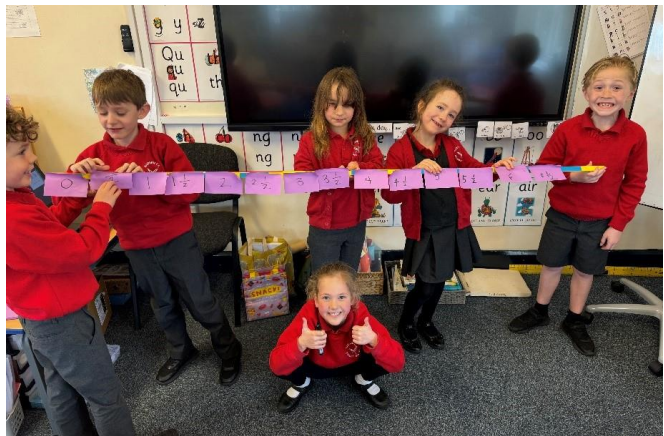

Early Years have been working hard this week to apply their phonics to spell new words. We've also had great fun creating a wormery by layering sand, soil and plants. Finally, we wrapped it in black paper. We can't wait to see what our wiggly worms have been up to in a few days!

## Acorn Class

KS1 have had a busy week! We have been writing letters from the perspective of Superworm and making Superworm sock puppets. Year 2 have also been learning how to count in fractions. They had a go at counting in halves and although they found this tricky at first – they persevered and were really proud of themselves when they completed Mrs Rotchell's number line!

## Year 3/4

### Fantastic Fractions!

This week Y3&4 children have been working hard in maths, placing fractions on a number line and finding equivalent fractions. We have a learnt a little fractions rhyme to help us!

Sycamore Class

## Year 5/6

We have been working our socks off in Y5/6 this week! We have honed our Arithmetic skills in Maths and tackled a wide range of reasoning problems too. We've learned more about our solar system in Science and now know why the end of the Wars of the Roses led to the start of the Tudor dynasty and the formation of the red and white Tudor Rose - have a look at our beautiful versions of the rose on the KS2 staircase! In English, we have immersed ourselves in the scary world of Tudor London in order to write in role as Tom Falconer. He's the hero of our fabulous novel and is currently in great danger as he is being chased by a notorious highwayman - Gamaliel Ratsey - who really did exist in the 1500s!
