

## Homework Menu – Sycamore

Maths: Practise your times tables and division facts up to 12 x 12 using TT Rockstars or Hit the Button.

French:

- Research a famous person from one of the French speaking countries you have learnt about. We would love to hear what you have found out.
- Find out more about how Christmas is celebrated in France: What do they eat? What traditions do they have?

History:

- Do you know any family stories from World War II? Maybe someone in your family fought in the war or was evacuated. We would love you to share them with the class either orally or in writing.
- Borrow and read one of our recommended books from the reading corner.

Science: Teach someone at home about the phases of the moon. When you go outside in the evening, look up and identify which phase of the moon you can see.
