## Headteacher's Introduction

Dear Parents/Carers,

### Mystery Plays

This week, we began a special journey in our Collective Worship. The fabulous Tony (YO-YO) came in to work with us all on 'The Light That Overcomes.' Our children had the opportunity to contribute to 10 mystery plays, written especially for us by Tony. With these we produced drama performances depicting the life of Jesus and some of the miracles He performed. We discussed how these stories of Jesus and his life reflects a sense of family and protection - of light in the darkness. The children's creative thoughts, ideas, performances, poems and reflections were really moving.

A huge 'thank you' to Tony, Mr Beresford and staff, who all contributed to the success of Naburn's first ever Mystery Play!

If you know of any families looking for a Reception place for the 2026/2027 academic year, please do let them know that we currently have a limited number of places available for next year's Reception cohort! Even if they didn't put us as their first choice originally, there is still an opportunity to join our school family. Please encourage them to contact the School Office if they would like to have a chat.

As ever, thank you for your continued support in school attendance. We know it's not always easy, but we are really encouraged to see our attendance beginning to increase! Thank you!

Have a great weekend!

## THINGS TO REMEMBER

- Please remember to send hats gloves and coats during cold weather
- YOUNG VOICES on Tuesday – 2 pack ups, snacks and water bottle needed
- Grab Bags only available on Tuesday for lunch

Battle winners are

RESPECT

Most Valueable players

Hattie George Lara

Next Weeks Battle

RESPECT vs

ASPIRATION

## Reflection Corner

John 1:5:

"The light shines in the darkness, and the darkness has not overcome it".

## Attendance Matters!

Missing a day of school here and there may not

SE Naburn school day starts at 8.55am

NCS SCHOOL DAY IS 7.45AM-3.00PM

When a student misses **2** days a month

They miss **20 DAYS** a year (**10%** of the school year)

They miss **30 HOURS** of math instruction.

They miss **60 HOURS** of reading and writing instruction.

The end of year **6** graduation.

When a student misses **4** days a month

They miss **40 DAYS** a year (**20%** of the school year)

They miss **60 HOURS** of math instruction.

They miss **120 HOURS** of reading and writing instruction.

The end of year **6** by graduation.

### Attendance Ladder

## Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

### What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

Acorn Class

As part of National Storytelling Week, Acorn class took part in the Naburn Mystery Play ***Light in the Dark***, performing "**Looking for Jesus**" and "**In the Tree.**" The children prepared with great focus and worked together extremely well. Their performances were thoughtful, confident, and a credit to them all.

A great time was had at Chill and Chatter Club this week. The children worked together to build an impressive dinosaur enclosure, created some unusual "lunch" combinations including pink milk, pasta, and eggs and made a wonderful monkey and its friend using natural materials. They also enjoyed colouring, building, and especially using their imaginations, whilst they chatted throughout. It was a lovely session with lots of creativity and teamwork.

# School Newsletter

This week Willow class have been further developing the Gargoyles they designed and made last week. Storyboarding the "Night of the Gargoyles" and creating their own comic strip adventures using those characters.

# School Newsletter

In Science this week, year5/6 have been learning about refraction. They conducted an investigation into what happens when light rays pass from one state of matter to another and then recorded their observations. They investigated which angles were best to observe the refraction from and whether the colour of the liquid made any difference to the results.

## Mrs Davies's expedition to the Andes

On the 20th February 2026 my 5 teammates and I will set off on a challenge of a lifetime to hopefully achieve a world's first! My good friend and fellow team member Steph became suddenly unwell in 2019 due to a neurological condition, which amongst other complex symptoms, took away her ability to mobilise. Steph was an experienced horse rider when she became ill, and one of the things that kept her going throughout her rehabilitation was the thought of one day sitting on her beloved horse again.

In 2023 myself and 7 others helped Steph to become the first wheelchair dependent person to cross the Pyrenees from France to Spain on horseback. However, Steph wasn't quite done with breaking down barriers and rewriting the rule book on what a wheelchair dependent person can and can't do. She very quickly came up with the idea of crossing the Andes, again on horseback, where she truly has her independence.

The 'Ride to Independence' expedition is expected to take us 7 days, leaving from Mendoza in Argentina, traversing the Andes reaching heights of up to 4,400m and finishing in Santiago, Chile. We will be following the route used by General San Martin in 1817, when he led the Army of the Andes to liberate Chile from the Spanish monarchy. We will ride the magnificent native Peruvian Paso and Chilean Criollo horses, with pack mules carrying all the kit, camping gear and most importantly Steph's wheelchair.

This is going to be a huge challenge not only for Steph but for all of us as a team. We will be spending between 6 to 9 hours in a saddle a day, coping with rocky terrain, steep slopes, changes in altitude, and extreme weather conditions. We can fully expect to see intense sun, high winds, and snow all in one day. Our bond as a team will be pushed to the limits as we will have to overcome the unexpected challenges presented in these kinds of extreme environments.

To make our crazy dream a reality, it has meant hours of tirelessly fundraising and the end is almost in sight, but we still need every penny to get us over the finish line! We truly appreciate everything donated. Steph and her husband Jon have now set up their own not for profit company, Equine Para-Adventures, to help support other disabled riders to make their 'impossible' dream a reality and have their own adventure. All funds raised above our target will be going towards this amazing cause.

At the end of school on Thursday 12<sup>th</sup> February I will be in the playground raising funds for this expedition. I will be running a one hundred square style raffle, where you can buy a square for £1 and if you pick the winning square there will be a great chocolatey prize!! The winner will be announced after school on Friday 13<sup>th</sup> January.

Here is the link to our short team video, which explains more about us and what we hope to achieve,

<https://www.youtube.com/watch?v=fs3zp68rrbo>

Please go to our Go fund me page, if you feel this is something you would like to support further
