Headteacher's Introduction

Dear Parents/ Carers,

As we approach the final week of this half-term, we are feeling very proud of our Year 6 pupils. This week they have had the chance to showcase all they have learnt in their SATs assessments. We are proud of the way they have risen to this challenge. On Thursday afternoon, KS2 helped to celebrate the end of the assessments with a trip to the park and a picnic! Thank you to all who contributed.

Last weekend, the PTA held a bake sale to raise money for a reflection area within school. We were overwhelmed with the generosity of contributions - the PTA raised over £600! Thank you so much, this will make a huge difference to our school environment!

Well done and thank you to all the children who submitted their reflection area designs. We cannot wait to see many of the children's ideas incorporated into the final creation.

Have a good weekend,

Mrs Durham.

Attendance Ladder

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

This week we have been tasting and describing different fruits and making our own healthy fruit kebabs. We carefully selected the fruits we wanted to use after tasting each one and then had a go at chopping them. We used our fine motor skills to thread our fruit onto our kebab. They tasted delicious!

Acorn Class

Years 1 and 2 have been tasting existing smoothie products this week in D&T. We tried three different smoothies and discussed the flavour, texture and colour of each. We gave each smoothie a score out of 5 and thought about which fruits we would like to include in our own smoothie recipes.

This week, Willow class have been learning about Roman numerals. Once they saw the patterns and how Roman Numerals were constructed, there was no stopping the children working out mystery Roman numbers and writing their own Roman numerals for larger numbers!

The Children's Toothbrushing Guide

Free Children's Toothbrushing Guide for early years professionals, caregivers and parents

We're pleased to launch the new [Children's Toothbrushing Guide](#), designed to support nurseries and early years settings to share clear, trusted advice with families.

Created with the early years sector, including the British Society of Paediatric Dentistry and the Oral Health Foundation, the Guide helps settings support children's oral health from the earliest years.

Why it matters:

Tooth decay is the leading cause of hospital admissions for children aged 5–9 – and good habits start early.

The guide is ideal to share with families and covers:

- 😊 **When and how to brush young children's teeth**
- 😊 **Practical tips to build brushing into home routines**
- 😊 **Other ways to maintain children's oral health**
- 😊 **Inclusive guidance for families of children with SEND**
