Headteacher's Introduction

Dear Parents and Carers,

It was a delight to welcome our new starter children and their families to Naburn Primary School for our recent Taster Day. The sun was shining, smiles were everywhere, and it was wonderful to see so many happy faces enjoying their first experience of school life with us.

The children had a fantastic time exploring a variety of exciting activities around the school grounds. They visited our magical Fairy Land, enjoyed imaginative play in the shops, tried their luck at fishing, challenged themselves on the climbing frame and assault course, and relaxed in our cosy reading area. One of the highlights of the day was a lively game of Simon Says, which brought plenty of laughter and enthusiasm from children and adults alike.

A special thank you goes to Julie and our kitchen team, who provided a scrumptious lunch for everyone. It was lovely for families to experience lunchtime at school and enjoy such a delicious meal together. (Julie also then provided us with Football cake later in the week to celebrate the England win!!)

The day was a wonderful opportunity for children to begin making new friends, build confidence, and become familiar with their new surroundings before starting school. We were so proud to see their curiosity, kindness, and excitement shining through.

Thank you to all the parents and carers who joined us and helped make the day such a success. We are looking forward to welcoming our new starters back very soon and beginning what we know will be a happy and successful journey at Naburn Primary School.

Enjoy the sunshine this weekend and Happy Fathers' Day!

Mrs Durham.

School Newsletter

Attendance Matters!

Missing a day of school here and there may not seem like much, but absences add up!

Naburn school day starts at 8.55am

When a student misses **2 days** a month

They miss **20 DAYS** a year (**10%** of the school year)

They miss **30 HOURS** of math instruction.

They miss **60 HOURS** of reading and writing instruction.

They will miss over **1 YEAR** of school by

The end of year **6**

When a student misses **4 days** a month

They miss **40 DAYS** a year (**20%** of the school year)

They miss **60 HOURS** of math instruction.

They miss **120 HOURS** of reading and writing instruction.

They will miss over **2 YEARS** of school by

The end of year **6**

Attendance Ladder

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

School Newsletter

This week in PSHE, reception have been learning about the body. We talked about the different parts of our body that we can see and then discussed parts of the body that we can't see. We each had a go at labelling the body parts and identifying where they are. We started to think about what role each body part plays in our bodies.

School Newsletter

This week in Art we have been exploring printing with different objects. The children chose objects to print with, waited for them to dry and then cut each individual print out. We had a go at creating a rotated pattern or a repeat pattern by arranging our individual cut out prints.

Acorn Class

School Newsletter

Willow class have been further exploring life in Stone Age times. This week, they drew a habitat poster where they needed to carefully consider what things were vital for Stone Age people's survival and what things posed a threat to their existence!

School Newsletter

**Goodbye Violet
and good luck at
your new school
from us all at
Naburn Primary!**

School Newsletter

On Tuesday, Sycamore Class took part in the first of two STEM days run by the Smallpeice Trust to ignite and maintain children's interest in Science, Technology, Engineering and Maths. In the morning, the children became engineers, designing and testing vehicles powered by elastic bands. In the afternoon they became code breakers, discovering how to encrypt and decrypt code using a Caesar Wheel.

School Newsletter

A reminder about the pet service at St Matthew's Church at 9.00am on Sunday. Please bring your pets, large, small, cold or warm-blooded and join them for a joyful celebration of all living things! If you can't bring your pet or are worried that they might not enjoy the experience, then please bring a picture/photo instead. Also, don't feel you have to have a pet to attend, everyone with or without a pet is very welcome. They look forward to seeing you there.

The Children's Toothbrushing Guide

Free Children's Toothbrushing Guide for early years professionals, caregivers and parents

We're pleased to launch the new [Children's Toothbrushing Guide](#), designed to support nurseries and early years settings to share clear, trusted advice with families.

Created with the early years sector, including the British Society of Paediatric Dentistry and the Oral Health Foundation, the Guide helps settings support children's oral health from the earliest years.

[Download the free Guide](#)

Why it matters:

Tooth decay is the leading cause of hospital admissions for children aged 5–9 – and good habits start early.

The guide is ideal to share with families and covers:

- 😊 When and how to brush young children's teeth
- 😊 Practical tips to build brushing into home routines
- 😊 Other ways to maintain children's oral health
- 😊 Inclusive guidance for families of children with SEND

The Children's Toothbrushing Guide

Free to download, print and share.

Supporting happy and healthy smiles!
