Headteacher's Introduction

Dear Parents and Carers,

What a wonderful week it has been here in school! We were delighted by the welcome return of the sunshine and have enjoyed using our imagination to keep ourselves cool whilst learning! We are hopeful for more lovely weather as we complete the final few weeks of term, but maybe not quite as hot.

On that note: Suncream, please can we remind parents and carers that, as the weather continues to improve, we will try to make the most of being outside for lessons and activities. Please can we ask that children have suncream applied every day before school and that they bring a cap or sunhat, with their name in it, to wear when outside. Also, a refillable water bottle to keep hydrated.

We have had another busy week with KS1 visiting The Deep on Tuesday, see photos later on in the Newsletter, the children have been keenly telling us all about it. Meanwhile, Year 5/6 enjoyed a STEM learning day on Thursday, with interactive online lessons and test driving the cars they made!!

Sports Events: In our PE lessons, as well as enjoying activities including cricket, the children have also been practising for Sports Day. We have had to postpone the original date this week as it was just too hot. However, it has now been rearranged for the morning of the 9th July. Parents and carers are invited to join us on the playing field behind the village hall at 9.30am. It would be wonderful to see you all there! Perhaps start practising, as you may be asked to participate!

Thank you for your ongoing partnership in keeping our children safe, happy and flourishing.

Wishing you all a wonderful weekend.

School Newsletter

Attendance Matters!

Missing a day of school here and there may not seem like much, but absences add up!

Naburn school day starts at 8.55am

When a student misses **2 days** a month

They miss **20 DAYS** a year (**10%** of the school year)

They miss **30 HOURS** of math instruction.

They miss **60 HOURS** of reading and writing instruction.

They will miss over **1 YEAR** of school by

The end of year **6**

When a student misses **4 days** a month

They miss **40 DAYS** a year (**20%** of the school year)

They miss **60 HOURS** of math instruction.

They miss **120 HOURS** of reading and writing instruction.

They will miss over **2 YEARS** of school by

The end of year **6**

Attendance Ladder

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

School Newsletter

Acorn Class

Our class had a brilliant day at The Deep on Tuesday. The children loved exploring the tanks and spotting their favourite sea creatures, and they showed great behaviour throughout the visit. They asked thoughtful questions, supported one another, and represented the school really well. We were proud of their attitude throughout and how much they got out of the experience. The children also took part in a workshop about pollution and recycling, where they learned how small changes can help protect our oceans, and they joined in with great enthusiasm.

School Newsletter

KS2 Cricket Lessons

This half term, Joe Barr from Chance to Shine Cricket has been working with the children every Monday afternoon. Chance to Shine is a charity, partnering with the Yorkshire Cricket Board to provide free cricket coaching to schools. The program aims to boost physical health, wellbeing and vital life skills, giving all children the opportunity to play, learn and develop through cricket. The children have enjoyed a variety of cricket-based activities including batting, throwing and catching, and overarm bowling.

"Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of ever,"

The Children's Toothbrushing Guide

Free Children's Toothbrushing Guide for early years professionals, caregivers and parents

We're pleased to launch the new [Children's Toothbrushing Guide](#), designed to support nurseries and early years settings to share clear, trusted advice with families.

Created with the early years sector, including the British Society of Paediatric Dentistry and the Oral Health Foundation, the Guide helps settings support children's oral health from the earliest years.

[Download the free Guide](#)

Why it matters:

Tooth decay is the leading cause of hospital admissions for children aged 5–9 – and good habits start early.

The guide is ideal to share with families and covers:

- 😊 When and how to brush young children's teeth
- 😊 Practical tips to build brushing into home routines
- 😊 Other ways to maintain children's oral health
- 😊 Inclusive guidance for families of children with SEND

The Children's Toothbrushing Guide

Free to download, print and share.

Supporting happy and healthy smiles!
