

EYFS Summer Term 2

Our Christian vision:
"Whenever the rainbow
appears in the clouds, I will
see it and remember the
everlasting covenant between
God and all living creatures of
every kind on the earth."
Genesis 9 v16

Home Learning Menu

We've put together a selection of fun, creative activities inspired by our theme:

Summer Fun! What can you see under the sea?

These optional activities can be completed at your own pace throughout the half term.

Choose as many as you like - **the more creative, the better!**

Please bring your finished work by **Monday 6th July** so we can enjoy and share your brilliant ideas and celebrate together.

Sun Safety

Talk to a parent or carer about how we can stay safe in the sun. Can you create a poster to teach others to stay safe in the sun too?

Sink or Float?

Test different objects in water to see if they sink or float. Make a prediction first.

Some objects you could try are:

- Spoon
- Leaf
- Cork
- Stone

Shape Pictures

Can you make your own summer-themed shape picture? Talk to an adult about the shapes you have used and what you notice about each shape.

Junk Modelling Sea Creature

Make a fish, octopus or other sea creature using boxes, tubes, bottles or milk cartons.

Refreshing Recipe!

Create and write a list of ingredients for a refreshing drink.

Ice Lollies

Make some healthy ice lollies using fruit juice, yoghurt or chopped fruit. Use your senses to describe them. Observe the changes once frozen.

Ocean Collage

Make an ocean themed collage – use different materials to create your own ocean scene.

Message in a Bottle

Write a short message from a pirate, mermaid or a sailor and roll it up and pop it inside a bottle.

Can you draw a treasure map to put inside too?

Shadow Tracing

On a sunny day, try tracing shadows with chalk. Check on the shadow throughout the day and see if it moves.

Reading

This is a required daily task and not part of the optional activities. Listen to your child read their phonics book for approximately 10 minutes a day. Remember to give them lots of praise! If they can't read a word, encourage them to sound it out or read it to them. After, discuss the book.

Share a book for pleasure together. Read it to or with them.

Discuss the pictures, enjoy the story, predict what might happen next, use different voices for the characters, explore the facts in a non-fiction book.
