Headteacher's Introduction

Dear Parents/Carers

Year 6 Residential Adventure at Newby Wiske PGL ✨

We are thrilled to say that a group of pupils have thoroughly enjoyed an exciting residential visit to PGL Newby Wiske Hall. This action-packed trip gave our children the chance to challenge themselves, try new activities, and most importantly, work together as a team.

From high ropes to problem-solving challenges, every activity was designed to build confidence, strengthen friendships, and develop teamwork skills. It was truly a fantastic opportunity for pupils to grow in independence while making memories that will last a lifetime! We are so incredibly proud of their behaviour throughout - well done!

A huge thank you also to Mrs Uttley and Mr Beresford for giving up your time (and sleep!) to accompany our children on this residential. We are all very grateful to you both.

- **Attendance Matters**

Good attendance is one of the most important factors in helping children achieve their best at school. Every single day in class builds on the one before — when children miss lessons, they can quickly fall behind in their learning and confidence.

- **Why it matters:**

Children with 95% or higher attendance are far more likely to meet or exceed expectations in reading, writing, and maths.

Regular attendance helps children build strong friendships and feel part of the school community. Good punctuality sets positive habits for life.

- **How you can help:**

Aim for every day, on time — even small improvements make a big difference.

Book appointments outside school hours whenever possible.

Let us know early if your child is unwell or facing challenges that affect attendance — we're here to help. Together, we can make sure every child has the best chance to succeed.

Thank you for your continued support in making every school day count.

Mrs Durham

Attendance Ladder

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

This week in RE, we've been thinking about our new question: *What is special about our world?* We explored the beauty of nature by investigating our discovery table with lots of different items from nature. We looked closely at each object and used adjectives to describe each one. We talked about how some objects are living and how others once were living but are no longer. We then took a moment to listen to nature and we heard the birds singing and the wind rustling the leaves.

Year 1 and 2 have also been thinking about their new question in RE: *How should we care for the world and others and why does it matter?* This week we have focused on the Christian belief that every person is unique and valuable. We talked about the meaning of these words and created jigsaw pieces to show what makes us unique and valuable. We discussed how difference is to be celebrated and we all a valuable part of Acorn Class.

The Children's Toothbrushing Guide

Free Children's Toothbrushing Guide for early years professionals, caregivers and parents

We're pleased to launch the new [Children's Toothbrushing Guide](#), designed to support nurseries and early years settings to share clear, trusted advice with families.

Created with the early years sector, including the British Society of Paediatric Dentistry and the Oral Health Foundation, the Guide helps settings support children's oral health from the earliest years.

[Download the free Guide](#)

Why it matters:

Tooth decay is the leading cause of hospital admissions for children aged 5–9 – and good habits start early.

The guide is ideal to share with families and covers:

- 😊 When and how to brush young children's teeth
- 😊 Practical tips to build brushing into home routines
- 😊 Other ways to maintain children's oral health
- 😊 Inclusive guidance for families of children with SEND

The Children's Toothbrushing Guide
