Headteacher's Introduction

Dear Parents and Carers,

Although we are nearing the end of the school year and have lots of fun planned, this is also a time where we are completing our final assessments. Our Y4 children were AWESOME during their multiplication checks - well done! Our Year 6 children are finishing their writing assessments and Year 1 are completing their phonics screening tests. Great perseverance and ASPIRATION shown by all! We are incredibly proud of our Reception children who are all published authors! They have contributed to a book called Monster Mayhem. It has taken pride of place on our bookshelf - pop in to have a look!

I would like to take the opportunity to say a huge thank you to our biggest champion, Mr Mike Beresford. Mr Beresford is currently Vice Chair of the Governors, volunteers for residentials, leads Collective Worship, delivers Open the Book assemblies, clears debris, acts as health and safety governor, and has also built us a new planter for the playground! Despite doing all this, Mike has somehow found time to complete training to become a vicar! I know you will all join me in wishing him a very heartfelt **congratulations!** We couldn't think of anyone more suited to the role and we all hope you have a wonderful day!

Mr Beresford's ordination is on Saturday 27th June in York Minster at 11am - all are welcome!

Have a good weekend,

Mrs Durham.

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits.

Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent bedtime routine to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as unauthorised absence and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

Acorn Class

We're Going on a Dragon Quest!

This week, after reading our Talk for Writing text *Kassim and the Greedy Dragon*, the children set off on their own dragon quest. A greedy dragon had stolen our jewels, so the class searched all around the school, upstairs, downstairs, and outside to find its hiding place.

They eventually discovered the dragon's den, fast asleep and curled around the jewels. Using brilliant teamwork and clever distraction ideas, the children managed to sneak in and retrieve the jewels.

Just as they celebrated, the dragon woke up! Everyone dashed back to the classroom and hid under tables and tuff trays, keeping the jewels safe. The children showed fantastic teamwork, imagination and problem-solving proving that even a greedy dragon is no match for **our class!**

"Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of ever

School Newsletter

In Y3/4, we are leaning about Prehistoric Britain and the Stone Age. This week, the children created their own cave paintings, in the dark, by a crackling fire!

The Children's Toothbrushing Guide

Free Children's Toothbrushing Guide for early years professionals, caregivers and parents

We're pleased to launch the new [Children's Toothbrushing Guide](#), designed to support nurseries and early years settings to share clear, trusted advice with families.

Created with the early years sector, including the British Society of Paediatric Dentistry and the Oral Health Foundation, the Guide helps settings support children's oral health from the earliest years.

[Download the free Guide](#)

Why it matters:

Tooth decay is the leading cause of hospital admissions for children aged 5–9 – and good habits start early.

The guide is ideal to share with families and covers:

- 😊 When and how to brush young children's teeth
- 😊 Practical tips to build brushing into home routines
- 😊 Other ways to maintain children's oral health
- 😊 Inclusive guidance for families of children with SEND

The Children's Toothbrushing Guide

Free to download, print and share.
