Headteacher's Introduction

Dear Parents and Carers,

What an absolutely incredible morning we shared yesterday! Our local area was alive with energy, cheers, and a healthy dose of friendly competition as we held our eagerly anticipated sports event. A Spectacular Sports Day!

It was wonderful to see our pupils competing against one another, giving their absolute best in all things ranging from bean bag throwing to sack races. The perseverance, courage and teamwork on display perfectly embodied everything we stand for at Naburn. Especially given such hot conditions!! A massive thank you must go to all the parents, carers, and family members who came along to cheer from the sidelines and create such a lovely summer atmosphere.

We must also extend a special mention to all the staff and volunteer helpers who endured pretty intense weather to make the morning so wonderful. In addition, a big thank you goes out to the amazing PTA who brought ice lollies for all the children to enjoy afterwards – with even enough left for the teachers!!

Finally just a reminder that next week is our last week of the school year and culminates with the year 6 Leavers assembly and end of year awards, held at St Matthews church on Friday at 2pm – it would be so lovely to see you all there to help celebrate our wonderful little school.

Have a lovely weekend

Attendance Ladder

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 551075 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

The children enjoyed making boats from silver foil and testing how many marbles they could hold before they sank. They counted the marbles, compared who had more or fewer, and talked about why some boats floated for longer than others. A fun, hands-on activity that developed early maths skills through play.

School Newsletter

The children used photographs and keywords to find clues about seaside holidays in the past. They wrote about features such as bathing machines, the promenade, Punch and Judy shows, and the pier, using their observations to describe what they were and how they were used.

Continuing our skeleton theme, this week, Y3/4 were tasked with the challenge of re-creating the human skeleton out of art straws!

School Newsletter

Well done to Y5&6 for being such amazing Sports Day team captains. The children made us very proud, leading their teams through all the events. From beginning to end, they organised, encouraged, consoled and championed their teams and were excellent role models.
