Headteacher's Introduction

Dear Parents and Carers,

As we approach the end of another busy and enjoyable period in school, I would like to share some of the highlights from recent weeks. It has been lovely to see our children embracing opportunities to learn beyond the classroom, showing kindness towards others and demonstrating what it means to be part of a caring school community.

Our Remembrance Day visit was a particularly special experience for our KS2 children. They visited St Matthew's Church, where they were warmly welcomed by Reverend Beresford. They also had the privilege of meeting a former pupil who is currently serving in the Army. He spent time answering the children's questions at the war memorial, sharing his experiences and helping them to develop a greater understanding of remembrance and the importance of honouring those who have served.

Our Children in Need non-uniform day was a great success! Thank you to everyone who contributed so generously. The money raised will help support children who are less fortunate than ourselves. It was wonderful to see the children getting involved and thinking about the importance of helping others. Events like this reinforce our strong sense of community and remind us that even small acts of kindness can make a big difference.

With the colder weather now arriving, I would also like to remind everyone to ensure that children come to school dressed appropriately for the changing temperatures. Warm, waterproof coats, hats and gloves are essential, particularly as we continue to enjoy outdoor play and learning. Please remember to name all items of clothing to help us return anything that gets misplaced.

With best wishes,

Mrs Durham.

"Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of every kind on the earth." Genesis 9

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 233259 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

Sycamore Class

On Thursday, y5/6 travelled to TEAL Headquarters to take part in the student leaders' pupil summit. They joined with pupils from all TEAL schools and worked together to complete problem solving activities. They also worked as a school to come up with an action plan for Naburn. They all had a wonderful time and came back with exciting goodie bags and lots of stories!
