Headteacher's Introduction

Dear Parents,

A particular highlight of the wonderful learning experiences and opportunities that have taken place across our school community has been our Interfaith Day – 'Lighting the Way for a Shared Future'. Throughout the day, children explored the significance and symbolism of light in different religions and faith traditions, discovering how it represents ideas such as hope, peace, faith and guidance. Alongside this, they reflected on what it means to live well together as a community, considering the importance of kindness, respect, understanding and celebrating the things that unite us. It was a valuable opportunity for children to develop their understanding of different beliefs and perspectives, while recognising the important role we all play in creating a welcoming, inclusive and harmonious community.

Looking ahead, we are also very excited to be hosting our Christmas Grotto on Saturday 29th November, from 2–5pm! This promises to be a magical afternoon, particularly for our new September starters and their families, and a lovely opportunity to come together, get into the festive spirit and enjoy everything our school community has to offer. Children will have the chance to meet Santa in his very own grotto, take part in a festive scavenger hunt, make their own Christmas bauble and enjoy a range of other seasonal crafts and activities. We would love to see as many of our families there as possible, so please do come along and join in the fun!

As always, thank you, for your continued support in making our school such a special place to learn and grow together. Please spread the word for September intake, next year!

With best wishes,

Mrs Durham

Supporting Your Child's Good Attendance

You play the most important role in establishing good habits. Here are a few ways you can help us work together:

- **Keep to a Routine:** Establish a consistent **bedtime routine** to ensure your child gets enough sleep and is awake, alert, and ready to learn in the morning.
- **Be Punctual:** School starts at 8.45/8.50am. Arriving on time ensures your child doesn't miss the vital start-of-day instructions, activities, and register, which sets a positive tone for the whole day.
- **Book Appointments Outside of School Hours:** Please try to schedule dentist and non-urgent medical appointments after school or during the school holidays.
- **Avoid Term-Time Holidays:** Family holidays during term time are almost always recorded as **unauthorised absence** and severely disrupt a child's learning.
- **Know When to Send Them In:** If your child has a minor ailment, such as a cold or a slight cough, and is otherwise well, they should still come to school. If you are unsure whether your child is too ill to attend, please contact the school office for advice or consult the NHS guidance on 'Is my child too ill for school?'

What to Do if Your Child is Absent

If your child is genuinely too ill to attend, please contact the school office on 01904 233259 before 9am on the first day of absence, stating the reason. You must call us **every day** they are absent, please.

Acorn Class

s part of our whole-school Interfaith Day, 'Lighting the Way for a Shared Future', Acorn Class explored Hinduism. The children learned about the importance and symbolism of light within the Hindu faith, particularly its association with hope, goodness and the triumph of light over darkness. We explored how light plays an important part in Hindu celebrations such as Diwali and discussed how, just like a light can brighten a room, our own actions can brighten the lives of others. The children reflected on how kindness, respect and understanding help us to live well together as a community, celebrating our differences while recognising what we share.

Sycamore Class

On Monday, Year 6 went to Pocklington School to take part in a Character Development Day along with other TEAL primary schools. The focus of the day was building confidence, resilience and teamwork and supporting pupils with skills that will help them through SATs and their transition to secondary school. Activities included an assembly and workshop with Joe Fishburn, Gladiators Champion 2025; bushcraft with In the Canopy and games challenges.
